Item		Owner
1.	<b>Welcome and Introductions:</b>  Councillor C Siddall welcomed everyone to the meeting.  Councillor C Siddall announced that Councillor D Gronland had resigned from Halstead Town Council and that he would no longer be able to attend meetings of Braintree Local Highways Panel as a representative of (BALC). (BALC) would be required to appoint a replacement representative to the Panel.	
2.	<b>Apologies for Absence, Declarations of Interest and Public Questions:</b>	

	<p><b>Apologies for Absence:</b></p> <p>Apologies for absence were received from Kandice Louis - Highway Liaison Officer (EH).</p> <p><b>Declarations of Interest:</b></p> <p>There were no interests declared.</p> <p><b>Public Questions:</b></p> <p>There were no questions asked, or statements made.</p>	
3.	<p><b>Minutes:</b></p> <p>The Minutes of the meeting of Braintree Local Highways Panel held on 3rd October 2022 were approved as a correct record and signed by the Chairman.</p>	
4.	<p><b>Matters Arising from the Minutes of the Meeting Held on 3rd October 2022:</b></p> <p><u>Minute 6 - 'Schemes Awaiting Funding'</u></p> <p>Reference was made to five action points which had been recorded in the Minutes of the Panel's last meeting and the following updates were provided for each of them:-</p> <p><u>Speed Surveys</u>  <u>Action:</u> - Dan Maclean, Essex Highways, had been requested to circulate to the Members of the Panel a copy of a document explaining how Essex Highways assesses speed limits.  <u>Update:</u> It was reported that unfortunately there had been a delay, but that the guidance document would be circulated in the near future.</p> <p><u>'Tru-Cam' Automated Speed Checking Device</u>  <u>Action:</u> - Dan Maclean, Essex Highways, had been requested to circulate details of the 'Tru-Cam' automated speed checking device and its cost to the Members of the Panel.  <u>Update:</u> - It was reported that a meeting had taken place between Essex County Council's Cabinet Member for Highways and Transportation and the Chairmen of North Essex Parking Partnership and South Essex Parking Partnership regarding this matter and it was hoped that an update would be available at the end of January 2023.</p> <p><u>Possible Introduction of 20mph Speed Limit Zones Across Essex</u>  <u>Action:</u> - Dan Maclean, Essex Highways, had been requested to circulate to Members of the Panel a copy of an article published</p>	

	<p>in The Times newspaper on 30th September 2022 regarding the experience of other towns and cities across the Country where a 20mph speed limit had been introduced.  <u>Update:</u> - The article had been circulated on 20th October 2022.</p> <p><u>Overgrown Vegetation Along Rayne Road, Braintree</u>  <u>Action:</u> - Dan Maclean, Essex Highways, had been requested to investigate if the cutting back of overgrown vegetation along Rayne Road (between Rayne village and Springwood Drive), Braintree may be assigned to the Highway Rangers Team.  <u>Update:</u> - It was reported that it would not be possible for the Highway Rangers Team to carry out this work and the issue would be passed to the Essex Maintenance Team. In discussing this matter, reference was made to a proposal that Essex County Council should cease funding the Highway Rangers Team with effect from 1st April 2023. It was proposed that the Rangers would continue to be employed by Braintree District Council carrying out related duties, but they would not do work which was a function of Essex County Council.</p> <p><u>Minute 7 - 'Any Other Business' – 'Damaged and Outdated Directional Signs'</u></p> <p>At the last meeting of the Panel, reference had been made to a number of road signs across the District which were damaged, obscured, or out of date and which reflected poorly on the image of the area, particularly on entry to and exit from the District.</p> <p>Dan Maclean, Essex Highways, had been requested to investigate if a proactive approach towards the replacement and maintenance of road signs in the Braintree District might be implemented and how a sum of approximately £100,000 allocated by Braintree District Council for such work in Braintree town might be utilised.</p> <p>It was reported that a joint meeting between Essex County Council and Braintree District Council would be taking place soon to discuss this matter. Dan Maclean undertook to contact Alan Lindsey of Essex Highways to obtain the details.</p>	
5.	<p><b>Funded Schemes 2022/23:</b></p> <p>Consideration was given to a report on the Panel's Funded Schemes for 2022/23, which had been recommended for approval. The report provided an update on the current position of all schemes in the 2022/23 programme of work.</p> <p>Members of the Panel were reminded that funding of £407,600 had originally been allocated to Braintree Local Highways Panel</p>	

	<p>for the year 2022/23. Subsequently, further sums of £100,000 in 2021/22 and £200,000 in 2022/23 had been allocated, together with a sum of £177,594 following the re-profiling of schemes in 2021/22. It was reported that £656,000 of the Panel's budget had been allocated to various schemes within the programme of work and that £59,612 had been allocated specifically to casualty reduction schemes. This meant that a total of £169,582 was available for expenditure in 2022/23.</p> <p>In an update to the report, Members of the Panel were advised that the allocation of £200,000 in 2022/23 might not be available as Essex County Council was considering if this could be identified as a saving when setting the budget for 2023/24. No decision had been made to date. If supported, the proposal would result in the Panel's budget being overspent by approximately £30,500, but it would still be possible to deliver all the schemes in the 2022/23 programme.</p> <p>In discussing this Item, it was noted that the report referred to the estimated completion time for the following schemes as 'Quarter 3'. It was agreed that Kandice Louis and Dan Maclean, Essex Highways would clarify if the report should refer to 'Quarter 4' instead and amend the report if required.</p> <p>LBRA185004 – (Passenger Transport) Raised kerbs and hardstanding, East side bus stop, Grooms Lane, Western Road, Silver End Estimated Cost:- £22,500</p> <p>LBRA185005 – (Passenger Transport) Raised kerbs, West side bus stop, Grooms Lane, Western Road, Silver End Estimated Cost:- £10,000</p> <p>LBRA185008 – (Passenger Transport) Raised kerbs, Co-Op store, West side bus stop, Broadway, Silver End Estimated Cost:- £11,500</p> <p>LBRA185009 – (Passenger Transport) Raised kerbs, bus stop, Silver Street, Silver End Estimated Cost:- £11,500</p> <p>LBRA185011 – (Passenger Transport) Raised kerbs, Boars Tye Road bus stop, Boars Tye Road, Silver End Estimated Cost:- £11,500</p> <p>LBRA212039 – (Traffic Management) Provision of signage (roundels) at entrances to the village, Stisted Estimated Cost:- £6,000</p>	
--	--	--

	<b>Action By: Kandice Louis and Dan Maclean - Essex Highways. To clarify if schemes listed on the Funded Schemes 2022/23 report for estimated completion in 'Quarter 3' should be categorised for completion in 'Quarter 4', and to amend the report if necessary.</b>	D Maclean (HLO Team Leader) and K Louis (HLO)
6.	<p><b>Schemes Awaiting Funding:</b></p> <p>Consideration was given to a 'Schemes Awaiting Funding' report, which included details of requests received for funding from the Panel's budget for the year 2022/23. It was noted that a sum of £169,582 remained in the capital budget for 2022/23 and that the total value of unallocated schemes on the 'Schemes Awaiting Funding' list was £90,500. Members of the Panel were not required to recommend which schemes should be included in the Panel's programme of work at this time, as this would be considered at a future meeting of the Panel. However, it was proposed that Members should endorse removal from the list of potential schemes some which had been assessed as having a 'red' status as they did not meet Essex County Council's criteria.</p> <p>In discussing this Item, specific reference was made to salt bins and it was agreed that information setting out Essex Highways' criteria for the provision of salt bins should be circulated to Members of the Panel.</p> <p><b>Action By: Dan Maclean - Essex Highways. To circulate to Members of the Panel information setting out Essex Highways' criteria for the provision of salt bins.</b></p> <p>Reference was also made to schemes for the provision of bus shelters, which were currently on hold pending the completion of a County-wide audit. Essex Highways' Passenger Transport Team had indicated that terms were being finalised with a bus shelter contractor and it was anticipated that the contractor would start delivering schemes with effect from 1st April 2023.</p> <p><b>DECISION:</b></p> <p>(1) That it be recommended that the following schemes, the status of which have been assessed as 'red' as they do not meet the criteria, are removed from the list of potential schemes:-</p> <p><u>Traffic Management</u></p> <p>LBRA212055 - Vehicle Activated Sign (VAS), Gages Road, Belchamp St Paul Estimated Cost:- Not known</p>	D Maclean (HLO Team Leader)

## BRAINTREE LOCAL HIGHWAY PANEL REPORT 2 - SCHEMES AWAITING FUNDING LIST

This Schemes Awaiting Funding List identifies those scheme requests which have been received for the consideration of the Braintree Local Highways Panel (LHP).

In February 2023 it was agreed, at ECC Full Council, that the 2023/24 Capital Budget for the twelve Local Highway Panels would remain the same as 2022/23. As in 2022/23, the Casualty Reduction Sites across the County are funded from a central pot of monies derived from the existing LHP funding allocations. Also, in 2023/24, part of the LHP funding is to be set aside for carriageway improvements. This will reduce the overall yearly budget allocation available to the Braintree LHP, as detailed in the summary below.

An additional £203,800 is being provided to the Panel to allow Members to prioritise Footway Schemes and Footway Minor Works to be undertaken in 2023/24. Outside of Panel meetings Members will be provided with separate lists detailing Footway Schemes, Footway Minor Works and Carriageway Improvements. Members will be asked to Prioritise those schemes they wish to be undertaken in 2023/24.

Braintree LHP Budget Summary 2023/24			
	Budget	Commissioned schemes	To be allocated
Budget for Improvement Schemes	£203,800	£0	£203,800
Budget for Safer Roads Schemes	£59,612	NA	NA
Budget for Carriageway improvements	£144,189	£0	£144,189
<b>Total LHP Capital budget 2023/24</b>	<b>£407,600</b>		

Footway Improvements 2023/24	
Additional footway schemes	£203,800
Additional footway minor works	£203,800
<b>Total Footways Allocation</b>	<b>£407,600</b>

## BRAINTREE LOCAL HIGHWAY PANEL REPORT 2 - SCHEMES AWAITING FUNDING LIST

This Schemes Awaiting Funding List identifies those scheme requests, which have been received for the consideration of the Braintree Local Highways Panel (LHP).

The Panel are now asked to review the schemes on the attached Schemes Awaiting Funding List and consider their further scheme funding recommendations for those they wish to see delivered in 2023/24.

The Panel may also remove any schemes they would not wish to consider for future funding.

There are currently Schemes Awaiting Funding with an estimated cost of £175,000, as shown in the summary below -

Scheme Type	Estimated Scheme Costs
Traffic Management	£106,000
Walking	£56,500
Passenger Transport	£12,500
Cycling	£0
PROW	£0
Total	£175,000

On the Schemes Awaiting Funding List, the RAG column acknowledges the status of the scheme request as shown below:

RAG Status	Description of RAG status
G	The scheme has been validated as being feasible and is available for Panel consideration
A	The scheme has been commissioned for a feasibility study which needs completing before any Panel consideration
R	A scheme which is against policy or where there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process

18	High Street, Earls Colne - Safety Measures	Safety Measures	Halstead	Validation	LBRA202030	NA	This is to do with LBRA222072, which is now being upgraded	R
19	High Street, Earls Colne - Footway Improvements	Footway Improvements	Halstead	Validation	LBRA202032	NA	It would be difficult to lower the back of the footway beside the Co-op, as this will expose the existing brickwork which could be in poor condition and cause problems with damp, also it very difficult to lower the existing inspection covers as the removal of part of the chamber, generally damages the remaining part. Finally, we couldn't lower the footway by the step as this would give a step height of 292mm, whereas the maximum allowable height in a public place is 190mm. Therefore, no works are proposed at this location.	R
20	Colneford Hill/Colne Park Road, White Colne - Kerbing works	Request to investigate measures to prevent HGV overrun	Halstead	Validation	LBRA212028	NA	Liaised with Cllr Siddall regarding an alternative option he presented, unfortunately the option was not feasible and the Cllr is now aware	R

90	Park & Old Road, Wickham St Paul - Traffic calming measures	30mph Extension on both roads	Hedingham	Validation	LBRA222057	TBC	New speed strategy soon to be published - HWB Received - Survey on hold	V
91	Park Road, Church Road and Old Road - Signage	Request for warning horse signage	Hedingham	Validation	LBRA222058	NA	It is assumed that given the rural nature that a number of dwellings will have their own stables and that these horses will occasionally utilise the roads around the village, however without any recorded incidents it is difficult to justify placing warning signs on the highway	R
92	Old Road, Wickham St. Pauls – HGV Signage	Request for warning HGV signage	Hedingham	Validation	LBRA222059	TBC	In validation	V
93	Spa Road, Witham - Safety Barrier	A safety barrier at the bottom of the hill to stop pedestrians, cyclists, skateboarders, mobility scooters etc. from going into the road.	Witham Southern	Validation	LBRA222060	NA	The road safety audit team have been contacted regarding this request and they are also sceptical of providing barriers due to the wide expanse of grass either side of the facility which cyclists would almost certainly use as an alternative to slowing for the barriers. It is however on their radar for review in the future. Given the above information I would have to reject the request for barriers at this location	R

102	Park Lane, Earls Colne - Pedestrian Guard Railings	Additional Pedestrian Guard Railings	Braintree Town	Validation	LBRA222069	NA	Most children leave the school via the car park gate, the reduced width of footway will only hinder pedestrians trying to get past queues. Also HPN 050 (2019) does not recommend the use of pedestrian guardrail at a school exit unless there is a proven record of pedestrian collisions, which there doesn't appear to be at this location. The provision of additional pedestrian guard railing isn't considered to be necessary	R
