

Change to the Council's Scrutiny Arrangements

Overview and Scrutiny Committee / Governance Committee (disbanded)

In the past, the Overview and Scrutiny Committee and the Governance Committee have been appointed to hold the Cabinet to account. However, it was agreed at the AGM on 21st May 2019 that these Committees should be replaced by four Scrutiny Committees. These Committees are the Performance Management Board; the Corporate Governance Group; the Community Development Group; and the Partnership Development Group. These Groups will hold the Cabinet to account and support the development of the Council's policy frameworks.

The statutory elements of the work previously carried out by the Overview and Scrutiny Committee and the Governance Committee will be undertaken by the Performance Management Board and the Corporate Governance Group respectively.
