

# CORPORATE SCRUTINY COMMITTEE AGENDA

Wednesday, 10<sup>th</sup> July 2024 at 7.15pm

Council Chamber, Braintree District Council, Causeway House,  
Bocking End, Braintree, CM7 9HB

**THIS MEETING IS OPEN TO THE PUBLIC**

Members of the public will be able to view and listen to this meeting via YouTube.  
To access the meeting please use the link below:

<http://www.braintree.gov.uk/youtube>

---

**Members of the Corporate Scrutiny Committee are requested to attend this meeting to transact the business set out in the Agenda.**

Councillor J Abbott  
Councillor J Beavis  
Councillor J Bond  
Councillor G Courtauld  
Councillor P Heath (Chairman)  
Councillor D Holland  
Councillor J Martin

Councillor I Parker  
Councillor R Ramage  
Councillor W Taylor  
Councillor E Williams  
Councillor T Williams (Vice-Chairman)  
Councillor J Wrench

Members unable to attend the meeting are requested to forward their apologies for absence to the Governance and Members Team on 01376 552525 or email [governance@braintree.gov.uk](mailto:governance@braintree.gov.uk) by 3pm on the day of the meeting.

D GASCOYNE  
Chief Executive

## **INFORMATION FOR MEMBERS – DECLARATIONS OF MEMBERS' INTERESTS**

### **Declaration of Disclosable Pecuniary Interests (DPI), Other Pecuniary Interests (OPI) or Non-Pecuniary Interests (NPI).**

Any Member with a DPI, OPI or NPI must declare the nature of their interest in accordance with the Code of Conduct. Members must not participate in any discussion of the matter in which they have declared a DPI or OPI or participate in any vote, or further vote, taken on the matter at the meeting. In addition, the Member must withdraw from the Chamber where the meeting considering the business is being held unless the Member has received a dispensation from the Monitoring Officer.

### **Public Question Time – Registration and Speaking**

The Agenda allows for a period of up to 30 minutes for Public Question Time. Members of the public may ask questions or make statement to the Committee on matters listed on the agenda for this meeting.

All questions or statements should be concise and should be able to be heard within the 3 minutes allotted to each speaker.

Anyone wishing to ask a question or make a statement is requested to register their interest by completing the Public Question Time registration [online form](#) by **midday on the second working day** before the day of the meeting.

For example, if the meeting is on a Tuesday, the registration deadline is midday on Friday, (where there is a Bank Holiday Monday you will need to register by midday on the previous Thursday). The Council reserves the right to decline any requests to register to speak if they are received after this time.

When registering for Public Question Time please indicate whether you wish to attend the meeting 'in person', or to participate remotely. People who choose to join the meeting remotely will be provided with the relevant link and joining instructions for the meeting.

Please note that completion of the on-line form does not guarantee you a place to speak during Public Question Time. You will receive email notification from the Governance Service confirming whether your request is successful.

The Chairman of the Committee has discretion to extend the time allocated to registered speakers and to amend the order in which they may speak.

In the event that a registered speaker is unable to connect to the meeting, or if there are any technical issues, their question/statement may be read by a Council Officer.

Further information on Public Question Time is available on the [Council's website](#).

### **Health and Safety**

Anyone attending a meeting of the Council is asked to make themselves aware of the nearest available fire exit. In the event of an alarm sounding, you must evacuate the building immediately and follow all instructions provided by staff. You will be directed to the nearest designated assembly point where you should stay until it is safe to return to the building.

**Documents**

Agendas, Reports and Minutes may be accessed via [www.braintree.gov.uk](http://www.braintree.gov.uk)

**Data Processing**

For further information on how the Council processes data, please see the Council's Privacy Policy.

[https://www.braintree.gov.uk/info/200136/access\\_to\\_information/376/privacy\\_policy](https://www.braintree.gov.uk/info/200136/access_to_information/376/privacy_policy)

**Mobile Phones**

Please ensure that your mobile phone is switched to silent during the meeting in order to prevent disturbances.

**Webcast and Audio Recording**

Please note that this meeting will be webcast and audio recorded. You may view webcasts for up to 6 months after the meeting using this link: <http://braintree.public-tv/core/portal/home>

The meeting will also be broadcast via the Council's YouTube Channel.

**Comments and Suggestions**

We welcome comments to make our services as efficient and effective as possible. If you have any suggestions regarding the meeting you have attended you may send these to [governance@braintree.gov.uk](mailto:governance@braintree.gov.uk)

## **PUBLIC SESSION**

**Page**

**1 Apologies for Absence**

**2 Declaration of Interests - Scrutiny Committee**

1. To declare the existence and nature of any interests relating to items on the agenda having regard to the Code of Conduct for Members and having taken appropriate advice (where necessary) before the meeting.

2. To declare the existence and nature of any instruction given by or on behalf of a political group to any Councillor who is a member of that group as to how that Councillor shall speak or vote on any matter before the Committee or the application or threat to apply any sanction by the group in respect of that Councillor should he/she speak or vote on any particular matter.

**3 Minutes of the Previous Meeting**

To approve as a correct record the minutes of the meeting of the Corporate Scrutiny Committee held on 3<sup>rd</sup> April 2024 (copy previously circulated).

**4 Public Question Time**

Only Registered Speakers will be invited by the Chairman to speak during public question time.

Please see the agenda notes for guidance.

**5 Annual Report of the Community Safety Partnership 5 - 21**

**6 Fourth Quarter Performance Report 2023/24 22 - 59**

**7 Draft Work Programme 2024/25 and Terms of Reference 60 - 69**

**8 Decision Planner**

To note the Decision Planner for the period 1<sup>st</sup> August 2024 to 31<sup>st</sup> October 2024.

<b>Report Title:</b> To provide the 2023/24 Annual Report of the Braintree District Community Safety Partnership	
<b>Report to:</b> Corporate Scrutiny Committee	
<b>Date:</b> 10 <sup>th</sup> July 2024	<b>For:</b> Recommendation
<b>Key Decision:</b> No	<b>Decision Planner Ref No:</b> N/A
<b>Report Presented by:</b> Tracey Parry, Community Services Manager	
<b>Enquiries to:</b> Tracey Parry, Community Services Manager <a href="mailto:tracey.parry@braintree.gov.uk">tracey.parry@braintree.gov.uk</a>	

**1. Purpose of the Report**

- 1.1 To provide an overview of the work the Braintree District Community Safety Partnership delivered during 2023/24.

**2. Recommendations**

- 2.1 To review the Annual Report (Appendix 1) and make any recommendations to Cabinet.

**3. Summary of Issues**

- 3.1 The Braintree District Community Safety Partnership (CSP) is made up of representatives from Braintree District Council, Essex Police, Essex Fire & Rescue Service, National Probation Service, Mid & South Essex ICS, Essex County Council (Partnership Lead and Secondary education), Community360 and Eastlight Community Homes.
- 3.2 The CSP works together to protect their local communities from crime and help people to feel safer.
- 3.3 There is a statutory requirement for CSPs to conduct an annual strategic assessment, as per legislation in the Crime & Disorder 1998. The assessment collates and analyses statistical and contextual data from a range of partners and is used to inform key findings and recommendations for priorities moving forward.
- 3.4 The CSP priorities for 2023/24 were:
- Protect the vulnerable;
  - Promote healthy relationships;
  - Keep Safe online;
  - Build community resilience; and
  - Promote safety in our communities.

- 3.5 The Braintree CSP is made up of a strategic group and several operational groups all administered by Council officers. The Council are also represented at a range of countywide groups to ensure we are up to date with new legislation, funding & training opportunities and sharing best practice.
- 3.5.1 Responsible Authority Group  
The RAG provides the strategic overview and direction for the work of the Braintree CSP. They develop and implement a strategy for reducing crime and disorder across the Braintree District.
- 3.5.2 Community Safety Hub  
Partners from statutory organisations and the voluntary sector meet on a fortnightly basis focusing on current crime trends, enforcement, rough sleepers, and delivery against the CSP action plan. Partners present real time cases relating to anti-social behaviour, exploitation, and vulnerability where information sharing, and a multi-agency response would be of benefit.
- 3.5.3 Domestic Abuse Subgroup  
Partners meet monthly to discuss domestic abuse cases where an individual has contacted the Local Authority for homelessness advice, or an application made to the housing register. The multi-agency partnership will discuss each case and will establish the level of risk. The partners evaluate appropriate measures and interventions to manage risk and they explore the role of statutory homelessness functions and the housing allocation scheme.
- 3.5.4 Homeless Prevention Group  
This multi-agency forum meets monthly for the purpose of information sharing and decision-making for complex cases particularly where an individual has previously been identified as vulnerable and has caused anti-social behaviour to others, and where contact has been made with the local authority for homelessness advice or an application made to the housing register.
- 3.5.5 Local Exploitation Group  
This group work together to identify local hotspots and vulnerable locations within the district where young people are associating with each other and at risk of exploitation and develop partnership approaches to engage and disrupt.
- 3.5.6 Countywide Groups  
Officers attend Safer Essex, the countywide CSP and the Essex Community Safety Network which provide an overview of community safety issues across greater Essex. We are also represented at the Essex Multi Agency Approach to Fraud, the ASB Strategic Group, the Prevent Delivery group, the Violence Against Women & Girls Strategic Group and the Mid Essex Missing & Child Exploited Group.

## 3.6 **Key Achievements**

### 3.6.1 **Safeguarding vulnerable young people on public transport**

We participated in the countywide Operation Henderson campaign, a joint initiative organised by Essex Safeguarding Children Board together with British Transport Police, Essex Police, the Violence and Vulnerability Unit, Rail Operators, Essex Youth Service, local councils, and The Railway Children. The operation aims to raise awareness of the vulnerability of young people to exploitation and abuse at stations and transport networks in parts of Essex.

Research and local data have shown transport networks are used by vulnerable young people who may be at risk of sexual exploitation, criminal exploitation, and trafficking. Young people often gravitate towards stations because they are traditionally busy, anonymous places that also provide some form of shelter and access to food and drink. Bus and rail networks can also be used by offenders to traffic young people for the purpose of sexual and criminal exploitation.

We engaged with members of the public, all staff working within and around a station, from ticket collectors to engineers, coffee shop workers to cleaners, play an important role in safeguarding vulnerable young people.

### 3.6.2 **'Op Stronghold' targets crime and Anti-Social Behaviour**

Essex Police, together with partner agencies, held a week of focused activity in October 2023 targeting crime and anti-social behaviour issues across the District.

The purpose of Operation Stronghold is to utilise both local and additional force wide police resources to tackle issues affecting the community. The operation involves a number of proactive enforcement, high visibility, and public engagement events throughout the week.

In Braintree District this included 253 high-visibility patrol hours, nine patrols with partners and local councillors, 600 vehicle speed checks, 51 test purchases and local businesses visited, 17 licensing checks, 29 community engagement events, 13 stop and searches, 24 vehicle stops and nine public meetings held.

### 3.6.3 **Education and support**

Essex County Fire & Rescue Service (ECFRS) conducted Safe and Well visits to offer personal safety advice and signpost residents to appropriate support services.

Home fire safety checks were also carried out, and 135 safeguarding referrals made for vulnerable people across the year.

Education Officers delivered a total of 144 educational inputs to schools across the District, reaching 7,814 pupils. Sessions focused on key themes including Cyber Safety; Firework/Halloween Campaign; Gang Awareness and Knife Crime; Hate Crime; Healthy Relationships; 'Respect' assemblies' and road traffic and pedestrian safety, among others.

ECFRS' Community Safety Officer attended dedicated engagement events throughout the year including home fire safety talks at libraries, shopping centres, parish councils, nursing and residential care homes. They also worked with social prescribers to contact socially isolated people in the community, under the Braintree Surgeries Initiative, and took part in 'Halstead Collaborative Door Knock' with Essex Police.

#### 3.6.4 **999 Football tournaments for young people**

Finding out what makes students feel unsafe was the name of the game at the Braintree District 999 Football Tournament.

Girls and boys in Year 8 from six secondary schools across the District competed in the third annual tournament under the Essex Police Operation Community and supported by partner agencies.

The events provide an opportunity for young people to meet their local police officers while having a bit of fun whilst providing partner with an insight into what makes them feel unsafe and the places that make them feel unsafe.

#### 3.6.5 **Crucial Crew**

Braintree District Council arranged a Crucial Crew event for 289 Year 6 pupils from across the District, to teach various aspects of personal safety and wellbeing. The event teaches children important life skills to support them in their transition into secondary school.

Four 20-minute workshops were led by Essex Police, the Children's Society, Braintree District Council, and Essex Highways. The sessions focused on key themes including online safety, healthy relationships, and road safety. Pupils were encouraged to talk about their feelings, where and when they felt less safe and discussed potential strategies to help them feel safer.

#### 3.6.6 **Fraud & Cybercrime Awareness**

Essex Police's Fraud Prevention Coordinator has supported more than 585 victims of fraud across the District by offering advice, additional safeguarding and helping with the recovery of money lost to scams.

As well as assisting victims, they have also attended 19 community events and delivered fraud prevention talks at sheltered housing complexes, village halls, coffee mornings, warm hubs and parish council meetings. They regularly work together with the community and voluntary sector and a national building society to help improve people's awareness of fraud, both in towns and rural areas.

### 3.6.7 **Safer Streets – Witham**

The Council, in partnership with the Police, Fire & Crime Commissioner's Office for Essex (PFCC), successfully secured £297,202 of Safer Streets funding from the Home Office, with an additional £150,506 of match funding from various members of the Braintree District CSP.

This funding was for specific areas in Witham and the programme aimed to improve people's perception of safety. It also had a focus on reducing Violence Against Women and Girls, neighbourhood crime and Anti-Social Behaviour (ASB).

Achievements included:

Installation of 11 new CCTV cameras within the designated area, managed and monitored by Witham Town Council.

The employment of a Street Warden to carry out patrols to help improve the feelings of safety for residents.

Two community safety impact nights engaging with local businesses and individuals seeking their views on safety and providing them with anti-spiking merchandise. Two pubs were also provided with bleed kits from the Liam Taylor Foundation.

Fusion delivered a sports outreach programme for young people with attendance of 1500 and 500 unique visitors.

The Centre for Action on Rape and Abuse (CARA) delivered a total of 713 one-to-one specialist sexual violence therapy sessions for 60 women and girls from Witham.

65 dedicated ASB patrols, eight deployments of the knife arch, nine property marking and bulk immobilisation registration events, six community engagement events, Dog Watch event and provided those most vulnerable with security items.

### 3.6.8 **Safer Streets – Halstead**

The Council successfully secured £195,784 of Safer Streets funding from the Police, Fire & Crime Commissioner's Office for Essex (PFCC), with an additional £96,029 of match funding from various members of the Braintree District CSP.

This funding is for specific areas in Halstead and the programme aims to improve people's perception of safety. It also has a focus on reducing Violence Against Women and Girls, neighbourhood crime and anti-social behaviour.

Interventions to be delivered include the installation of extra CCTV and employment of a street warden by Halstead Town Council, the delivery of an alternative education programme by Essex Youth Service, ASB patrols, Fusion activity and outreach programme and specialist sessions from CARA for victims of sexual abuse.

3.6.9 The recommendations set out in this report will help the Council to deliver the following Corporate Objectives:

- A sustainable environment and a great place to live, work and play; and
- Residents live well in healthy and resilient communities where residents feel supported.

#### **4. Options**

4.1 There are no options to consider as the strategic assessment and action plan for 23/24 is agreed by the Responsible Authority Group and sent to the Office of the Police, Fire & Crime Commissioner for Essex to enable the annual funding allocation to be released.

#### **5. Financial Implications**

5.1 Future work of the CSP will be delivered within existing resources. The CSP has an allocated budget of £17,739 for 2022/23.

5.2 Future work of the Safer Streets project in Halstead will be delivered within existing resources and from the Office of the Police, Fire & Crime Commissioner for Essex allocated budget.

#### **6. Legal Implications**

6.1 There are no legal implications arising from this report.

#### **7. Other Implications**

7.1 The Braintree District CSP ensures all partners have safeguarding policies and procedures in place.

#### **8. Equality and Diversity Implications**

8.1 Section 149 of the Equality Act 2010 creates the public sector equality duty which requires that when the Council makes decisions it must have regard to the need to:

- (a) Eliminate unlawful discrimination, harassment and victimisation and other behaviour prohibited by the Act;

- (b) Advance equality of opportunity between people who share a protected characteristic and those who do not; and
  - (c) Foster good relations between people who share a protected characteristic and those who do not including tackling prejudice and promoting understanding.
- 8.2 The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation. The Act states that 'marriage and civil partnership' is not a relevant protected characteristic for (b) or (c) although it is relevant for (a).
- 8.3 The Equality Impact Assessment indicates that the proposals in this report will not have a disproportionately adverse impact on any people with a particular characteristic.
- 9. List of Appendices**
- 9.1 Appendix 1 - Braintree Community Safety Partnership Annual report 2023/24.

# Annual Report 2023-24

# Braintree District Community Safety Partnership

## Annual Report 2023-24

### Foreword

The Braintree District Community Safety Partnership Annual Report outlines how local agencies have worked together to make the Braintree District a safer place and reduce the fear of crime during 2023-24.

The Crime and Disorder Act 1998 placed a joint responsibility upon specific agencies and other partners within the community to develop and implement strategies to protect their communities from crime and help people feel safe.

Throughout the year partners have worked together to deliver successful projects and initiatives against the identified priorities to:

- **Protect the vulnerable**
- **Promote healthy relationships**
- **Keep safe online**
- **Build community resilience**
- **Promote safety in our communities**

Many of these are aimed at raising awareness, education and prevention as we feel these add value to the work delivered by local agencies on a daily basis.

We are proud of the achievements the Partnership has made and look forward to another successful year.

**Cllr Mary Cunningham**

Chair, Braintree District  
Community Safety Partnership

**Tracey Parry**

Community Services Manager  
Braintree District Council

Cabinet Member for Stronger Communities  
Braintree District Council

## Responsible Authority Group

The Responsible Authority Group is the strategic group of the Braintree District Community Safety Partnership and consists of strategic and operational officers who are collectively responsible for addressing crime, disorder and community safety across the Braintree District.

These organisations include Braintree District Council, Essex Police, Essex County Fire & Rescue Service, National Probation Service, NHS Mid & South Integrated Care Board, Eastlight Community Homes, Essex County Council (Education) and Community360 (voluntary sector).

The group has overall strategic responsibility for making sure that the priorities identified from the annual Strategic Assessment are outlined within the Action Plan, and the projects within the Action Plan are delivered.

## Strategic Assessment

Each year the Community Safety Partnership is required to produce a Strategic Assessment report about crime and disorder levels in its area. The results of the Strategic Assessment are used by the Partnership to identify themed priorities for the coming year. The Partnership produces an Action Plan which describes how it will deliver on the identified priorities.

The Strategic Priorities for 2023-24 were:

- Protect the vulnerable
- Promote healthy relationships
- Keep safe online
- Build community resilience
- Promote safety in our communities

## Funding

The Office of the Police, Fire and Crime Commissioner for Essex (OPFCC) allocated grants from its 2023–24 Community Safety Fund to all Community Safety Partnerships across the county. As in previous years the OPFCC set aside a proportion (4%) of this funding for Domestic Abuse Related Death Reviews (formerly Domestic Homicide Reviews). This fund provides: co-ordination of the review process; administration of panels; funding for independent chairs; lesson learning seminars; and monitoring and reporting on the implementation of recommendations.

The funding formula is based on population size, deprivation, and crime levels.

Braintree District Community Safety Partnership received a funding allocation of £17,739 for 2023-24.

## Action Plan 2023-24

Braintree District Community Safety Partnership produces an annual Action Plan which underpins the priorities and sets out how local agencies will work together to meet the actions within the plan.

Actions include specific projects and initiatives put forward by partner agencies, which are then collectively agreed by the Responsible Authority Group.

## Key Achievements 2023-24

### Support for people at risk of homelessness or experiencing domestic abuse

The CSP continues to support identified individuals through its dedicated sub-groups, with the aim of providing multi-agency support and intervention for individuals at an early stage.

The Housing Support Sub-Group was established to provide a forum for information sharing and decision-making for more complex cases where a person has previously been identified as vulnerable and has caused anti-social behaviour to others, and where contact has been made with the local authority for homelessness advice or an application made to the housing register.

Where appropriate the individual concerned will be invited to attend these meetings in person to ensure they are engaged in the process and work together with professionals to determine their own action plan in a strengths-based approach.

The Domestic Abuse Sub-Group is for domestic abuse cases where the individual has contacted the local authority for homelessness advice or an application made to the housing register.

Joint working between relevant agencies support an informed assessment of risk levels and enable evaluation of appropriate measures and interventions to manage risk and explore the role of statutory homelessness functions and the housing allocation scheme

### Safeguarding vulnerable young people on public transport

Braintree took part in the countywide Operation Henderson campaign, a joint initiative organised by Essex Safeguarding Children Board together with British Transport Police, Essex Police, the Violence and Vulnerability Unit, Rail Operators, Essex Youth Service, local councils, and The Railway Children. It aims to raise awareness of the vulnerability of young people to exploitation and abuse at stations and transport networks in parts of Essex.

Research and local data have shown transport networks are used by vulnerable young people who may be at risk of sexual exploitation, criminal exploitation, and trafficking. Young people often gravitate towards stations because they are traditionally busy, anonymous places that also provide some form of shelter and access to food and drink. Bus and rail networks can also be used by offenders to traffic young people for the purpose of sexual and criminal exploitation.

As well as members of the public, all staff working within and around a station, from ticket collectors to engineers, coffee shop workers to cleaners, play an important role in safeguarding vulnerable young people.

## Crucial Crew for school children

Braintree District Council arranged a Crucial Crew event for 289 year 6 pupils across the district, to teach various aspects of personal safety and wellbeing. The project delivered potentially lifesaving information that will be helpful to students for the rest of their lives, and was held across three days in July 2023.

Crucial Crew is a project that teaches children important life skills they will need as they move up to secondary school.

Four 20-minute workshops were led by Essex Police, The Children's Society, Braintree District Council, and Essex Highways. The sessions focused on key themes including online safety, healthy relationships, and road safety. Pupils were encouraged to talk about their feelings, where and when they felt less safe and discussed potential strategies to help them feel safer.

Of the 239 responses from the post-event survey, 200 children (84%) said they either loved the event, or thought it was very good.

## 'Op Stronghold' targets crime and ASB

Essex Police, together with partner agencies, held a week of focused activity in October 2023 targeting crime and anti-social behaviour issues across the district.

The purpose of Operation Stronghold is to utilise both local and additional force wide police resources to tackle issues affecting the community. The operation involves a number of proactive enforcement, high visibility, and public engagement events throughout the week.

In Braintree District this included 253 high-visibility patrol hours, nine patrols with partners and local councillors, 600 vehicle speed checks, 51 test purchases and local businesses visited, 17 licensing checks, 29 community engagement events, 13 stop and searches, 24 vehicle stops and nine public meetings held.

## Local Exploitation Group for young people

The partnership has continued to build upon the success of its Local Exploitation Group aimed at providing early intervention to vulnerable young people at risk of Child Sexual Exploitation (CSE) or Criminal Exploitation (CE) before it escalates to a 'high risk' level.

A core group of key local partners - including Family Solutions, The Children's Society, Education, Essex Youth Service, Essex Child & Family Wellbeing Service, Essex Police and Braintree District Council - meet regularly, prior to MACE meetings, to discuss current issues and to determine whether any intervention can be implemented to avoid young people becoming involved in CSE or CE, and to escape potential perpetrators.

Aims of the group are to coordinate partnership work and identify disruption activities; identify local hotspots and vulnerable locations where young people are associating with each other; develop tailored and effective plans to deal with local hotspots; engage with young people as to what areas feel 'safe' or 'unsafe' for them and initiate action plans for these areas; and develop and deliver awareness campaigns aimed at children and young people, parents and carers, businesses and the wider community.

## Children and young people affected by domestic abuse

The CSP supported Next Chapter to deliver their 'TRIBE' programme – an 8-week trauma-informed group intervention for children and young people affected by domestic abuse.

Next Chapter had to secure a new venue at short notice, after their usual venue closed unexpectedly at short notice. The funding enabled Next Chapter to secure a new venue in Braintree town to ensure children could continue to be supported locally.

The aim of the programme is to provide children and young people with a safe forum and peer support to explore their emotions, feelings, and beliefs about abuse, separation and loss. All activities are fun and child-centred and facilitators use a lot of play for role-modelling purposes.

## Fire service delivers education and support

Essex County Fire & Rescue Service (ECFRS) conducted Safe and Well visits to offer personal safety advice and signpost residents to appropriate support services.

Home fire safety checks were also carried out, and 135 safeguarding referrals made for vulnerable people across the year.

ECFRS' Education Officers delivered a total of 144 educational inputs to schools across the district, reaching 7,814 pupils.

Sessions focused on key themes including Cyber Safety; Firework/Halloween Campaign; Gang Awareness and Knife Crime; Hate Crime; Healthy Relationships; 'Respect assemblies' and road traffic and pedestrian safety, among others.

ECFRS' Community Safety Officer attended dedicated engagement events throughout the year including home fire safety talks at libraries, shopping centres, parish councils, nursing and residential care homes. They also worked with social prescribers to contact socially isolated people in the community, under the Braintree Surgeries Initiative, and took part in 'Halstead Collaborative Door Knock' with Essex Police.

## Fraud prevention awareness

Essex Police's Fraud Prevention Coordinator has supported more than 585 victims of fraud across the district by offering advice, additional safeguarding and helping with the recovery of money lost to scams.

As well as assisting victims, they have also attended 19 community events and delivered fraud prevention talks at sheltered housing complexes, village halls, coffee mornings, warm hubs and parish council meetings. They regularly work together with the community and voluntary sector and a national building society to help improve people's awareness of fraud, both in towns and rural areas.

## Targeting illegal street racing and nuisance

Funding was provided to Essex Police to assist with a dedicated operation targeting illegal street racing and associated vehicle nuisance following complaints from local residents and businesses.

During January and February 2024, Essex Police conducted additional patrols and conducted 74 routine vehicle stops, 17 stop and searches, prosecuted 16 traffic offences, made four arrests, seized two vehicles, and issued two Section 59 warnings for repeated careless or anti-social driving.

The Partnership continues to seek a long-term, multi-agency solution to the issues.

## Mobile cameras tackle crime and disorder

The CSP has continued to fund the purchase of mobile cameras to be deployed to areas where there is believed to be criminal or anti-social behaviour occurring. The cameras are installed by the Council's street-scene enforcement team following requests and discussion by multi-agency partners.

Useful evidence has been used by officers to disrupt the suspected supply of Class A drugs by known gang nominals; target prolific shoplifters; identify and deter identified individuals from causing anti-social behaviour including fly-tipping; and to assist in gathering evidence to put in place enforcement action such as Closure Orders.

## **‘J9’ Domestic Abuse awareness training**

The CSP commissioned the charity Safer Places to deliver ‘J9’ training – an initiative to raise awareness and to help victims of domestic abuse following the death of Janine Mundy, in Cornwall where she lived, in 2003.

Three sessions were held to help raise awareness and increase knowledge and understanding of domestic abuse for staff in the public and the voluntary sectors including GP surgeries, veterinary practices, opticians, dental practices and community organisations.

21 people attended from a range of organisations including Braintree District Council, housing providers, health providers, local businesses, and voluntary and community sector organisations.

Where the J9 logo is displayed it alerts victims that they can obtain information to help access a safe place where there can seek information and the use of a telephone.

## **Safer Streets in Witham and Halstead**

The Community Safety Partnership, together with the Police, Fire and Crime Commissioner for Essex, secured Home Office Safer Streets funding for Witham.

The programme focused on key areas in Witham and aimed to improve people’s perception of safety, with a primary focus on reducing Violence against Women and Girls (VAWG), neighbourhood crime and anti-social behaviour (ASB).

The Partnership delivered several activities including anti-social behaviour and crime prevention police patrols; a Street Warden employed by Witham Town Council; outreach sports programme for young people; extended the CCTV network; free self-defence classes for women and girls; the launch of ‘Ask Angela’ campaign in pubs; a Dog Watch Scheme launched along Witham River Walk at a Dog Day event; and specialist counselling sessions for victims of sexual violence.

In 2023 the Partnership was successful in securing further funding for areas of Halstead.

## **999 Football tournaments for young people**

Finding out what makes students feel unsafe was the name of the game at the Braintree District 999 Football Tournament.

Six schools from Braintree, Great Notley, Halstead, Sible Hedingham and Witham competed in the third annual tournament.

Friendly competition was the order of the day as the teams all played each other – Year 8 girls on Tuesday 27 June and Year 8 boys on Wednesday 28 June.

It's the third year the tournament has been run by the Braintree Community Policing Team and this year it was held in Witham under the banner of Operation Community, and supported by partner agencies.

Community safety and engagement officer PC James Draper says the two days of football helped the students to meet their local police officers while having a bit of fun.

"We also want to understand what makes them feel unsafe and the places that make them feel unsafe. Then we can work with Braintree District council and our community safety partners to address the issues we have identified by talking to the students.

"We listen to them and they have the opportunity to talk to us."

## Sanctuary for domestic abuse survivors

Braintree District Council coordinates a Sanctuary Scheme to help victims and survivors of domestic abuse feel safer and remain in their own home.

The Sanctuary Scheme is a victim-centred service that consists of the installation of security measures, in and around properties to enable households at risk of domestic abuse to live safely in the property, if they choose to do so.

Many victims of domestic abuse are reluctant to move home and away from the area where they have networks of support. To move often means that their children must change schools and leave their friends. Sanctuary schemes aim to make it possible for victims to remain in their own home and feel safe.

This year 14 households have been supported by the Sanctuary Scheme.

Once a referral is received, they are acted on as soon as possible. For example, a perpetrator was due for release from prison within two weeks. The Council's Specialist Domestic Abuse Officer acted quickly to request a home security survey via Essex Police, and assisted the survivor with getting the necessary recommendations in place. There was another survivor who was due in court with the perpetrator regarding child contact and there were concerns of escalation. Essex Police visited and sanctuary measures were explored straight away. The Council, and housing provider, worked well together to better support the household involved.

The scheme continues to work well and enables households at risk of domestic abuse to feel safer by remaining in their own homes, and reduce repeat victimisation through the provision of enhanced secure measures and support.

## Anti-Social Behaviour Case Reviews

The ASB Case Review gives victims of persistent anti-social behaviour the ability to demand a formal case review to determine whether there is further action that can be taken.

Victims can use the power if they feel that agencies have not taken action in respect of their complaint. Where the threshold is met, relevant agencies including the Council, police and

housing providers have a duty to undertake a review to take a more joined up, problem solving approach aiming to find a solution for the victim.

In Braintree District 17 requests for a review were made in 2023-24. Of these, 12 met the threshold for a review to take place, and in two cases it was determined that agencies did not respond appropriately to the victim's complaints.

Individuals, businesses or community groups can apply online for a review by searching 'Braintree ASB Case Review' or by contacting Braintree District Council directly.

### Moving Forward

Braintree District Community Safety Partnership has received a funding allocation of £17,739 for 2024-25 from the Office of the Police, Fire and Crime Commissioner for Essex (PFCC).

In 2024-25 the Strategic Priorities of Braintree District Community Safety Partnership will be:

These priorities, along with the core responsibilities of the CSP – to reduce crime and disorder, to reduce re-offending and combat the misuse of drugs, alcohol and other substances – will inform Braintree CSP's Action Plan for 2024-25.

The Partnership will address these priorities through the identification of agencies and resources that are best placed to respond and deliver improvements.

<b>Report Title:</b> Fourth Quarter Performance Report 2023/24	
<b>Report to:</b> Corporate Scrutiny Committee	
<b>Date:</b> 10 <sup>th</sup> July 2024	<b>For:</b> To inform
<b>Key Decision:</b> No	<b>Decision Planner Ref No:</b> DP/2024/14
<b>Report Presented by:</b> Tom Williams, Corporate Performance Coordinator <a href="mailto:tom.williams@braintree.gov.uk">tom.williams@braintree.gov.uk</a>	
<b>Enquiries to:</b> Tom Williams, Corporate Performance Coordinator <a href="mailto:tom.williams@braintree.gov.uk">tom.williams@braintree.gov.uk</a>	

**1. Purpose of the Report**

- 1.1 The purpose of the report is to summarise the performance of Braintree District Council (the Council) at the end of the fourth quarter (January 2024 to March 2024), including a summary of the full financial year.

**2. Recommendations**

- 2.1 The report is to inform the Corporate Scrutiny Committee of the performance of the Council following its presentation and noting at Cabinet on the 1<sup>st</sup> July 2024.

**3. Summary of Issues**

- 3.1 The Council keeps a record of its performance which is reported to Cabinet every quarter for consideration and noting.
- 3.2 Across the projects undertaken in this financial year a total of 21 projects have been completed. 30 longer term projects remain on track to be completed into the next year and beyond. A number of projects have been through the appropriate change management process to amend the end date due to being re-prioritised or re-scoped as necessary to accommodate new and competing demands on the Council.
- 3.3 The year concludes with six projects at amber status, with no projects having been cancelled throughout the year. Amber statuses reflect budgetary constraints and delays, amongst other challenges which are detailed in the report.
- 3.4 As at the end of the year nine performance indicators have met or exceeded target. Two missed target by less than 5%, The collection rate of council tax and collection of business rates. Three missed target by more than 5%, the

number of homes granted planning permission, recycling rates, and enquiries resolved at first point of contact in the Customer Service Centre.

- 3.5 This year is the last year of the 2020-2024 corporate strategy, with a new corporate strategy agreed to take the Council through to 2028 focussing on Communities, Prosperity, and Environment.

### **Finance Performance**

- 3.6 The finance section of the report sets out the budgetary outturn for 2023/24, information on capital spending and resources for the year, and details of treasury management activity and the movement on General Fund unallocated balances.
- 3.7 The report shows that there was an overall positive variance of £1.1 million on the General Fund Revenue Account for the year after approved budget carry forwards. The main reason for the variance was overachieved income, particularly from treasury management where the rapid rise in interest rates provided windfall gains on short-term investments. Whilst staffing budgets were underspent, there were additional service costs incurred, including that in relation to the Wethersfield asylum centre legal challenges.
- 3.8 On 15<sup>th</sup> May 2024, the Cabinet Member for Finance, Resources and Performance approved requested for the carry forward of unspent budgets and the addition to earmarked reserves, which have been reflected in the outturn position.
- 3.9 There is a net increase in the General Fund unallocated balances of £459,000, resulting in a closing balance on 31<sup>st</sup> March 2024 of £8.5 million.
- 3.10 Details of the main variances are set out in the Finance Section of the report.
- 3.11 Capital spending for the year totalled £5.1 million against a profiled budget of £7.8 million. Expenditure included £1.6 million on housing improvement and disabled facilities grants, with the balance of spend incurred across a mixture of community projects, planned property maintenance, investment into ICT infrastructure and systems, and operational vehicles and equipment. Capital budgets totalling £2.7 million have been carried over into 2024/25 as the respective projects remain to be completed.
- 3.12 The financial performance will be subject to audit by KPMG LLP as part of their external audit work on the Final Accounts for the year.

### **4. Options**

- 4.1 There are no options to consider as a result of this report.

### **5. Next Steps**

- 5.1 There are no next steps as a result of this report being presented to Corporate Scrutiny Committee.

## **6. Financial Implications**

- 6.1 The report provides an update as to the financial position as at the end of the fourth quarter covering the revenue and capital outturn for this period. As the revenue financial outturn represents an improvement over the original budget, it is proposed to set aside the resulting increase in General Fund balances into the Risk Management Reserve, set-up as part of the 2024/25 Budget. This recognises the ongoing and potential significant financial risks that could materialise from external influences. The proposal does not adversely impact on the assumptions and estimates in the current Medium-Term Financial Strategy nor the 2024/25 Budget. The total amount held in reserve will be £1.08million and will be subject to regular monitoring and review.

## **7. Legal Implications**

- 7.1 There are no legal implications arising from this report

## **8. Other Implications**

- 8.1 A summary of complaints received each quarter, analysed by outcome (justified, partially justified, or not justified) is provided.
- 8.2 The Enhancing our Environment priority has a number of actions that are designed to have a positive impact on the environment and climate change. An update on the progress of the actions in the Climate Change Action Plan is included classified under the themes of the Climate Change Strategy.

## **9. Equality and Diversity Implications**

- 9.1 Section 149 of the Equality Act 2010 creates the public sector equality duty which requires that when the Council makes decisions it must have regard to the need to:
- (a) Eliminate unlawful discrimination, harassment and victimisation and other behaviour prohibited by the Act
  - (b) Advance equality of opportunity between people who share a protected characteristic and those who do not
  - (c) Foster good relations between people who share a protected characteristic and those who do not including tackling prejudice and promoting understanding.
- 9.2 The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation. The Act states that 'marriage and civil partnership' is not a relevant protected characteristic for (b) or (c) although it is relevant for (a).
- 9.3 Equalities and diversity issues are considered fully in the Council's key projects. Where appropriate, an equality impact assessment is prepared and considered for any key projects identified.

**10. List of Appendices**

- 10.1 Appendix 1 – Fourth Quarter and Year End Performance Management Report 2023/24.

**11. Background Papers**

- 11.1 Previous performance reports are published on our website once noted by cabinet. They are published at [Our performance reports – Braintree District Council](#)

## Section 1: Introduction and Summary

### Purpose of the Report

The purpose of the report is to demonstrate the performance of the Council at the end of the fourth quarter of 2023/24 and the end of the financial year in relation to our Annual Plan 2023/24. This sets out the key activities being implemented to deliver our corporate priorities and summarises the measures in place by aligning key performance indicators to our priorities within the Corporate Strategy 2020 – 2024. Further detail is given in relation to a set of business performance indicators covering finances, customer focus, our people and health and safety.

This report does not contain details of the numerous activities ongoing in each service area that also contribute to delivering what is important and will make a difference to all in the District. Full details of all projects and performance indicators used to measure the outcomes are available upon request.

### Summary of the Corporate Projects current position for the end of the financial year

The following table provides updates for the end of the financial year in relation to our key activities.

## Summary of the Key Performance Indicators position for the end of the financial year

The following table shows the performance for the end of the financial year in relation to key performance indicators.

Corporate Priorities	Status of indicators			
				Data Only
Connecting People and Places	1	-	1	-
Enhancing our Environment	2	-	1	-
Supporting our Communities	2	-	-	2
Promoting Prosperity	-	-	-	3
Delivering and Innovating	4	2	1	1
<b>TOTAL</b>	<b>9</b>	<b>2</b>	<b>3</b>	<b>6</b>

### KEY:

-  Performance Indicator has achieved or exceeded target
-  Performance Indicator is up to 5% below target
-  Performance Indicator is 5% or more off target

## Summary Position

Across the projects undertaken in this financial year a total of 21 projects have been completed. 30 longer term projects remain on track to be completed into the next year and beyond. A number of projects have been through the appropriate change management process to amend the end date due to being re-prioritised or re-scoped as necessary to accommodate new and competing demands on the Council. As a result the year concludes with six projects at amber status, with no projects having been cancelled throughout the year. Amber statuses reflect budgetary constraints and delays, amongst other challenges which are detailed in the report.

As at the end of the year nine performance indicators have met or exceeded target, two missed target by less than 5% and three missed target by more than 5%. The collection rate of council tax and collection of business rates ended the year less than 5% below target. Performance indicators missing target by more than 5% were in relation to the number of homes granted planning permission, recycling rates, and enquiries resolved at first point of contact in the Customer Service Centre.

This year is the last year of the 2020-2024 corporate strategy, with a new corporate strategy agreed to take the Council through to 2028 focussing on Communities, Prosperity, and Environment.

## Section 2: Delivering our Corporate Strategy

### Actions carried out by Braintree District Council

Project description and comments	Target Date	Status
<b>Complete the physical improvements to Witham and Halstead town centres to improve public realm</b>		
<p>The revised licence applications required for the works on Essex County Council land have been submitted and are awaiting approval. Braintree District Council (BDC) continue to work closely with both town councils to keep them updated on the progress of the project.</p> <p>BDC are working with Essex County Council on the next steps to progress the proposed road layout changes.</p> <p>A change control notice has been actioned, revising the end date from December 2023 to July 2024.</p>	July 2024	
<b>Improve the district's housing stock by addressing energy efficiencies and exploring best practice to tackle empty homes</b>		
<p>The council continues to explore ways to address energy efficiency with the private rented sector and social housing partners, targeting grant schemes and initiatives, working towards the long term goal of 2030.</p>	March 2030	
<p>The Empty Homes policy was approved at Cabinet in January. Since approval, 77 engagement letters have been sent to owners of empty properties in the district, encouraging them to provide an update to the Council of their intentions for the property.</p> <p>26 responses have been received so far, and work continues to engage with more property owners.</p>	March 2025	
<b>Develop a revised Homelessness and Rough Sleeping Strategy for 2024 to 2028</b>		
<p>The draft Homelessness and Rough Sleeping Strategy was presented to Cabinet in January, following which a public consultation was launched which ran from February to April. The evaluation of the consultation will be provided alongside a full Cabinet report for adoption in May 2024.</p> <p>The target date has been amended from March to May 24 to allow time for the public consultation and return to Cabinet.</p>	May 2024	

<b>Improve our health and leisure facilities by replacing the studio and sports hall floors at Braintree Leisure Centre and refurbishing the wet and dry changing facilities at Halstead Leisure Centre</b>		
Work continues on the specifications and the logistical requirements to replace the studio floor. Since the initial scope for this project was agreed there has been a significant increase in financial pressures on the leisure industry, in addition to the growing cost of construction materials. The Council need to assess whether the original budget agreed for the replacement of the floors is sufficient to complete the works to the desired standard. To ensure the viability of this project both financially and operationally, the timelines for this project require extension to fully consider the options available.	March 2025	
Work continues on the specifications and the logistical requirements to replace the sports hall floor. Since the initial scope for this project was agreed there has been a significant increase in financial pressures on the leisure industry, in addition to the growing cost of construction materials. The Council need to assess whether the original budget agreed for the replacement of the floors is sufficient to complete the works to the desired standard. To ensure the viability of this project both financially and operationally, the timelines for this project require extension to fully consider the options available.	March 2025	
The scope of the works has been agreed, and the tender process is nearing completion to identify a contractor to complete the construction. The target date has been amended from March to September 2024, to allow the works to take place over the summer to minimise disruption.	September 2024	

### Actions carried out in partnership with others

<b>Project description and comments</b>	<b>Target Date</b>	<b>Status</b>
<b>Engage in the pre-application and examination processes for Nationally Significant Infrastructure Projects (NSIP) in and around the district</b>		
Longfields Solar Farm – Landscaping works at the site have commenced, planting trees and hedgerows ahead of construction on the main site. This is intended to allow the trees and hedgerows to establish early on in the development.	December 2026	
A12 Widening scheme – In January the Development Consent Order (DCO) was approved by the Secretary of State for Transport. However, a legal challenge has been made to the Secretary of State challenging this decision. This is at a very early stage, and the High Court have not yet considered whether to progress with the challenge. Until the challenge is resolved, work on the scheme cannot commence, reflected in the amber status.	December 2028	
Bramford to Twinstead reinforcement – The Examining Authority has completed its examination of the application for development consent. The Examining Authority now has up to three months to prepare a recommendation report for the Secretary of State for Energy Security and Net Zero. The Secretary of State will then have up to a further three months to decide whether to grant consent, meaning a decision is to be made before the end of September.	November 2028	

Norwich to Tilbury – Pre-planning application discussions continue and a statutory consultation is anticipated in Spring 2024. The Development Consent Order is expected towards the end of 2024, with construction not due to start until 2027.	March 2030	
Rivenhall Integrated Waste Management Facility (IWMF) and Energy Centre – The Development Consent Order application has been accepted and is now in the pre-examination stage. The preliminary meeting is scheduled for April. This stage is where the examination is planned out and is anticipated to take up to 3 months.	December 2025	
<b>Develop our plans to introduce walking and cycling networks across the district</b>		
The consultation on the Local Cycling and Walking Infrastructure plan (LCWIP), hosted by Essex County Council (ECC) concluded in January. Braintree District Council are now awaiting the report summarising the consultation so that the feedback generated can be considered, prior to our opportunity to adopt the LCWIP.	December 2025	
<b>Enable the delivery of a new build, multipurpose community centre in Witham bringing people together to socialise, learn and access key services</b>		
The Planning Committee has granted permission for the community centre, with conditions. The tender for the project is nearing completion, and preparation of a consultation is underway regarding the transfer of open public space.  The project remains at amber status as the budgetary requirements will not be clear until the construction tender is completed.	June 2025	
<b>Continue to facilitate the delivery of a purpose-built medical centre in Sible Hedingham</b>		
The Integrated Care Board (ICB) approved the business case for the Sible Hedingham Medical centre in March. Due to the length of time taken to make a decision on the full business case, the target date has been amended to allow for the transfer of the site, which could not take place whilst the approval of the business case was outstanding. This is anticipated to be completed by the end December.	December 2024	
<b>Work with the Integrated Care Board to enhance the delivery of health and wellbeing services at the Victoria Square development</b>		
The Hub is now operating at capacity and mainly providing clinical services. Bi-monthly meetings will continue to explore further opportunities for the development.	March 2024	

# ENHANCING OUR ENVIRONMENT

## Actions carried out by Braintree District Council

Project description and comments	Target Date	Status
<b>Enhance biodiversity by refurbishing the wildlife garden in Halstead Public Gardens</b>		
New flower beds have been successfully installed in the wildlife garden. This project is now completed.	November 2023	✓
<b>Improve the facilities in our skate parks at Weavers Park in Braintree and Spa Road in Witham</b>		
In February user feedback sessions took place, which provided valuable and positive feedback on the designs. Improvements to the designs have been made based on the feedback received in these sessions. A decision to fund an additional mini-wheels ramp at Spa Road is being presented to Cabinet in May.	July 2024	▶
<b>Deliver improvements to the recreation ground at Ramsey Road, Halstead</b>		
In February user feedback sessions took place, which provided valuable and positive feedback on the designs. Improvements to the designs have been made based on the feedback received in these sessions. However, there is a requirement to undertake sewer surveys which will need to be considered in the delivery timeline, resulting in an amber status.	July 2024	▲
<b>Respond to the requirements of the Environmental Act 2021 in relation to air quality, biodiversity, water and waste reduction</b>		
The review into the Council's air quality monitoring methodology was undertaken, and the independent review of Braintree District Council's air quality monitoring methodology confirmed that the Council was monitoring in accordance with best practice and legislation. Actions from the review are now underway.	March 2024	✓
The introduction of mandatory Biodiversity Net Gain (BNG) of 10% was introduced in February and this now being implemented, with the first application liable for BNG already received. Work on training staff continues as they gain experience dealing with these applications.	March 2024	✓
A baseline audit of the Council's water usage identified a substantial leak. Rectifying the leak has prevented further water wastage. The facilities team continue to monitor for leaks and other areas within the estate which present immediate opportunities to reduce water waste.  The Council has also investigated various approaches to reducing water use and recycling water across the estate. However, these measures would require	March 2026	▶

<p>substantial investment with no financial return. As a result, the findings of these investigations whilst considered are not planned to be progressed at this stage.</p> <p>The Council plans to meet with Anglian Water in April to identify any support that may be available to the organisation and to discuss how both parties can work in partnership to improve education, engagement and behavioural changes for residents and businesses.</p>		
<p>The Council responded to the formal consultation issued by DEFRA, and has provided its views on the legislation set out within the Environment Act. Further changes to the Council's recyclable waste collection will be implemented in line with the fundamental waste collection review ahead of the legislative requirements in 2026.</p>	March 2024	
<p><b>Protect our communities by implementing the requirements of Martyn's Law</b></p>		
<p>The Council has finalised its preparations for the implementation of Martyn's Law, confirming all properties and venues covered by the proposed legislation.</p> <p>Following the scrutiny phases of the legislative process, significant changes are being made to the bill prior to its return to Parliament. The Council has responded to the consultation hosted by central government, however until such a time the detail of the legislation is made known to The Council no further work can take place and this project is complete as far as possible. Once legislation is published, a new project will be created to track the implementation of the specific requirements.</p>	March 2024	
<p><b>Deliver campaigns and work with our communities to:</b></p> <ul style="list-style-type: none"> <li>• <b>Report litter offenders who throw litter from their vehicles</b></li> <li>• <b>Minimise food waste to help households save money and avoid unnecessary waste</b></li> <li>• <b>Improve awareness and understanding of climate change</b></li> </ul>		
<p>The 'See it – Report it' campaign will continue to be a marketing campaign to encourage members of the public to submit dashcam footage of people littering from their vehicles.</p> <p>In February, Cabinet supported an increase in the fine amounts for fixed penalty notices for littering. Digital posts and a press release were published to inform the public of the change. This was also published in the Council newsletter.</p>	March 2024	
<p>The 'Love Essex' campaign ran until the end of December 2023, and with the support of Braintree District Council was hugely successful. The campaign reached nearly 3,000,000 residents, three times the target, and saw engagement of over 230,000, over three times the target.</p> <p>Residents pledged to reduce their food waste in 2023, entering a competition to win £60 of supermarket vouchers available each month. Following a boost in December, Braintree District placed first in the number of pledges received by residents finishing ahead of all other waste collection authorities in the county.</p>	March 2024	
<p>In the fourth quarter six bimonthly newsletters were sent reaching 7,825 subscribers by the end of the quarter, up from 7,680 at the start of January. Two double page spreads were published in the Council's printed publications, Contact Magazine and the Business Rates leaflet on water saving measures at home and writing a green staff travel plan.</p> <p>Partner organisations' climate change projects were promoted on our social media channels, website and newsletter including; Essex County Council (ECC), Halstead and Witham Town Councils, and Solar Together. We also promoted community action including: Hatfield Peverel Wildlife Champions, community</p>	March 2024	

<p>action in the Great British Spring Clean and our litter picking volunteers the Green Heart Champions.</p> <p>Support continued for local food suppliers, running case studies on Blackwells and Spencers farm shops on all our channels, as well as Veganuary reels and a cookbook giveaway in collaboration with local vegan cafe, The Natural Way. Regular promotion of our street markets and local shops was also published.</p> <p>The Community Infrastructure Grants scheme launched at the start of March, offering funding for carbon reducing projects in publicly accessible buildings through a press release picked up by two local channels, our website and our newsletter.</p> <p>An ECC funded project, Lean2Green, launched offering free carbon cutting advice with a consultant to 20 businesses, to support the green economy. The upcoming Green Business Expo for Economic Development was also publicised.</p> <p>The Council supported green travel choices by promoting walking with Walk to Work day on social media, cycling with Bikeability training and public transport with DigiGo expansion information in our environment newsletter.</p> <p>Support was given to recycling with post-Christmas food waste messaging, promotion of the garden waste subscription service and changes around electrical item recycling. Stories also ran in our environment newsletter encouraging people to report flytipping.</p>		
--	--	--

### Actions carried out in partnership with others

Project description and comments	Target Date	Status
<b>Deliver projects in our Climate Change Action Plan to contribute to our long term aims of being a carbon neutral district such as working with communities and businesses to build climate resilience, developing baseline data for a tree strategy, piloting the ECC green accreditation scheme (before rolling out to businesses) whilst continuing to reduce our reliance on fossil fuels</b>		
Details of the projects being delivered in our Climate Change Action Plan are detailed in the next section of this report.	March 2030	
<b>Develop opportunities for increasing the renewable energy and fuel security within the district</b>		
<p>The Council has successfully received funding from the application for Sport England's Shared Prosperity Fund "Swimming Pool Support Fund" grant. £64k was received for replacing internal lighting with LED lights and £313k for solar panels on a solar canopy in the car park of Witham Leisure Centre.</p> <p>A Carbon Mapping and Forecasting tool has been created, allowing The Council to understand the measures it would have to take to be Carbon Neutral by 2030 and the associated costs; outlining many alternative options. Renewable energy projects would make up a large part of this.</p>	April 2025	
<b>Increase biodiversity and the attractiveness of the district by re-wilding open spaces and wild seed highway verges</b>		
Planting was suspended over the winter months and is set to resume in the second quarter.	December 2025	
<b>As part of a two-year safer streets programme, tackle enviro crime in the focused area of Witham</b>		
The Council's Grounds Maintenance team continue to regularly review the environment of Cut Throat Lane to ensure it is maintained. Environmental improvement of Cut Throat Lane was completed in December.	December 2023	

<p>The official launch of the Dog Watch Scheme took place on 15th April 2023 in Witham with over 200 visitors. The aim of the event was to encourage local residents to sign up to the Essex Police led Dog Watch Scheme where local dog owners will become guardians for the local area while exercising their dogs, reporting criminal damage or anti-social behaviour. A total of 65 people signed up to the Dog Watch scheme on the day.</p>	<p>April 2023</p>	
--	-------------------	---

# CLIMATE CHANGE PROGRESS

## Introduction

In the fourth quarter 2023/24, the Climate Action Plan 2024-25 was created in draft format. Projects within the current Climate Action Plan were scrutinised for progress to date and closure. Early preparation work was started for the Climate Action Plan 2023-24 Annual Report.

The online Climate Change Awareness course continued to be delivered through the online learning platform The Learning Hive. The training for frontline staff has now been scheduled for early in the first quarter 2024-25.

The first meeting of the North Essex Climate Partnership was hosted on 18 March at The Plaza to host eight North Essex local authorities and Essex County Council (ECC). The council hosted the event and the nine Councils discussed potential future collaboration projects.

The Council undertook a desktop exercise to map all Climate Change Partnerships across service areas in order to understand the wider scope of all portfolio holders with projects across the Climate Action Plan.

The Climate Action Plan is classified under seven themes and individualised progress on these themes is outlined below:

## Resources

Two Officers represented The Council at the ECC Climate Summit on water where Essex County Council's Water Strategy was launched. The Council's Spring edition of Contact Magazine featured a two-page article on water reduction in the garden. The Council have continued to promote the subsidised water butt scheme through Essex County Council. The Council have a meeting scheduled with Anglian Water to discuss behavioural change initiatives for the reduction in water use.

The Council have continued to support the food waste campaign run through Love Essex.

The Council promoted Veganuary in January and continued to promote local food producers including Blackwells Farm Shop in Coggeshall.

## Energy Conservation

The Council was awarded funds through the Sport England Grant in the amount of £375,350 for solar panels on the roof and on a solar canopy in the car park at Witham Leisure Centre and for the replacement of current lighting to LED lighting. The projects jointly shall reduce carbon emissions by an anticipated 50.5 tonnes annually.

The Community Infrastructure Grant was launched on 1 March 2024. The guidance notes, application form, press release and other communications have been published, alongside direct emails to parish councils. Expressions of interest have been received and further support has been offered.

Communications were shared regarding Essex Climate Commission's Carbon Cutting application across channels and Braintree have now secured second place in Essex for sign-ups to the app.

The Sustainability Team and The Waste Reduction Team attended Halstead Town Council's Climate Change and Community Energy Event where The Colne Valley Community Energy Project was presented to residents. We promoted our Climate Strategy at the event.

An audit exercise for all street lighting managed by the Council is underway to understand the costs for converting all of our street lights to LED heads. An email was sent to all parish councils to enquire as to their managed street lights and the responses to this have been collated and followed up. With the support of The Council, Rayne Parish Council received pre-used LED lamp heads from Essex Highways for replacing within the parish.

### **Built Environment**

The Home Upgrade Grant was launched, offering eligible Braintree residents in off-gas areas part of £2.466m for energy efficiency home improvements. 900 targeted letters have been sent to eligible residents in off-gas areas. The original benchmark for eligibility was for households with a maximum household income of £31,000 and this has now been increased to £36,000.

Referrals are actively being sent through to the Managing Agent Warmworks. 41 Applications have been made on the portal since the launch of the scheme.

The Council have begun to investigate the opportunity to provide a Biodiversity Net Gain site at Witham at the A12 replacement land from National Highways.

The Council submitted a Statement of Intent for the ECO Flex scheme for approval by OFGEM. The scheme is open to residents living in energy inefficient properties, with EPC ratings of D or below, living on a low income and/or vulnerable to the effects of living in a cold home.

iChoosr launched a Spring energy switch auction on 9 January 2024. Data by 8 February shows that there were 999 registrations for the January's Energy Switch with 49 accepted so far. Although the savings for residents have been quite low, at approximately £50 saving on annual energy bills, this does still offer residents reassurance to know their energy tariff is fixed and priced below the OFGEM Price Cap during this ongoing Cost of Living Crisis.

### **Transport**

Site visits have been made to Lakes Road to continue preparations for the electric charging infrastructure required for 14 new electric vehicles. The tenders for the installation work have been released and legal documents are being drafted. Work has begun on the livery for these vehicles which are scheduled for delivery in September 2024.

A Licensing Committee report was presented on 25 January which had an option to issue 8 taxi licences and an option to allocate 4 to Electric vehicles. This was agreed at the committee meeting and a set of questions have been written for distribution to the trade in order to understand the level of interest in electric vehicles. Investigations are underway for rapid charging points at or near taxi ranks. The 4 charging points at the White Horse Lane Car park in Witham, which is close by to the rank, has been identified as a potential site for the trade to use at present.

## **Business and the Green Economy**

The Council has been chosen to pilot Essex County Council's green business support initiative "Lean 2 Green" to support businesses to write decarbonisation plans. The support package is worth £500 and support is offered to Braintree and Uttlesford businesses. The initiative has been launched through various media channels including the Business Newsletter.

Preparations continue for the Green Business Showcase at The Plaza in June 2024 to provide support for businesses interested in developing sustainable practice.

A Green Travel article was published in the Business Rates booklet.

## **Natural Environment**

The Council published a story on our social media channels on the council's Street Scene Protection Team tackling illegal waste carriers.

An Officer represented The Council at the Essex Rivers Hub meeting, with partners including the Environment Agency, Anglia Water, Essex & Suffolk Water, Natural England and Essex County Council. The Council are looking to secure opportunities to support water quality, biodiversity and flooding projects on the Rivers Pant and Blackwater. The Council has offered support with facilitating Citizen Science work through the Essex Rivers Watch scheme.

Ten standard trees were planted through the Essex Forest Initiative at Bradford Meadows.

The Woodland Trust have now established a quarterly meeting with The Council to understand how we can develop partnership work.

The Council attended Hatfield Peverel Wildlife Champions tree planting event on 23 February and followed this up with external comms and a story for the Climate Change pages of the website.

## **Adapting to Climate Change**

The Council have continued to publish and promote severe weather warnings, including Yellow Weather warnings, flood warnings and winter ready preparation communications.

Storm Henk occurred on 2 January 2024, Storm Isha occurred on 19 and Storm Jocelyn occurred on 22-23 January 2024

The Council have continued to take an active role in the Essex Resilience Forum to monitor and plan for extreme weather events amongst other emerging risks.

The Council continues to engage with town and parish councils both on a one-to-one basis and through regular wider meetings such as the Supporting Communities webinar.

Work continues with partners on the management of watercourses across the district, including continued discussions with Essex & Suffolk Rivers Trust to investigate and develop a Nature-Based approach to flood alleviation.

The Environment Newsletter continues to be published on a 2-3 monthly basis. In February 2024, the newsletter had 7,748 subscribers.

Climate Change case studies and stories have been published across all available media channels including Contact Magazine, wider electronic newsletters and the Business Rates magazine as well as on the Climate Change pages of The Council's website. In March, The Council uploaded an information story onto the Climate Change pages of the website to inform residents of flood alleviation and blue-green infrastructure at Horizon 120.

# SUPPORTING OUR COMMUNITIES

## Actions carried out by Braintree District Council

Project description and comments	Target Date	Status
<p><b>Over a two-year period, use £1m of New Homes Bonus to support residents of the district through the continued cost of living crisis by:</b></p> <ul style="list-style-type: none"> <li>• <b>Providing food security and access to essential goods across the district</b></li> <li>• <b>Helping community groups and organisations provide additional support to our most vulnerable residents</b></li> <li>• <b>Enabling physical and emotional health and wellbeing support with a focus on young people who find it difficult to access these services</b></li> </ul>		
<p>In the fourth quarter the Council has recruited 12 volunteers to assist in running the food bank. As a result there is consideration to open on Saturdays with the view to expand to another day in the week. Work continues to recruit volunteers through the Council's comms network and utilising partnership networks.</p> <p>A report covering the period 01 November 2023 to 31 January 2024, for the food bank was published, highlighting 198 deliveries made feeding 537 people and 81 interventions made by the Outreach Worker.</p> <p>Internal staff training for food bank referrals has resulted in over 2,000 referrals between the first three quarters, with training now being extended to our Housing Options team.</p> <p>Work continues with partners to identify opportunities for a community supermarket.</p> <p>The small grants scheme launched in February and received applications from trusted partners, these included: a fridge for Community Fridge in Halstead, funds to pay for collectors' costs to pick up food for First Stop, food for a new Men's Talking Group at Witham Hub, food pantry stock for Witham United Reform Church, and a fridge for Wethersfield Community Pantry. The scheme remains open until mid-April for grants up to £10,000. The microgrants scheme for grants up to £1,000 will remain open until the pot of £15,000 has been depleted.</p> <p>Further applications for the small grants scheme have been received from Witham Hub, Tori's Pure Health &amp; Wellness Centre, Witham All Stars Majorettes, Witham Town Lunch Club, Witham Boys &amp; Girls Brigade, and House of Grace in Witham.</p> <p>Two staff members have attended training and are now able to issue Fuel Vouchers for people in need.</p>	<p>March 2025</p>	<p>▶</p>

<p>A Data Bank has been created to help with proving sim cards with data allowances for residents, to strengthen people's ability to find and apply for jobs.</p> <p>Discussions have taken place with Active Braintree about funding a Holiday Activity and Food programme extension, as they are able to expand with more funding. Consideration will be given to what opportunities for expansion exist. These include:</p> <p style="padding-left: 40px;">Camp for Champs - whole family support to include &amp; host Family Celebration Events. This includes fun activities for children and a marketplace with local organisations coming to speak with the families.</p> <p style="padding-left: 40px;">Making it Mindful - a 6-week Food Education Programme which gives families the knowledge and skills to make healthy, nutritious meals. The families also get to take home the equipment, recipes and skills to embed in their everyday lives.</p> <p style="padding-left: 40px;">Alphabake - whole family cooking and activity days which will allow families the time to create something together, play together and eat together.</p> <p>The Council is working with Active Essex to investigate opportunities to run the Pedal Power programme. Free Bicycles, helmets, locks, lights, safety courses &amp; maintenance lesson are provided to those most in need. Targets are set for recipients to use their bicycle, which is tracked through the programme, and if the targets are achieved the bike is gifted to the recipient for free.</p>		
<b>Support local projects and initiatives through the Councillor Community Grants scheme</b>		
<p>In the fourth quarter 19 grants were made totalling £9,750.</p> <p>St Mary's Church in Bocking received £500 and Kelvedon URC received £300 to help make available a place for people to go, stay warm and have refreshments as well as finding some company.</p> <p>Halstead Community Shed received £500 towards the purchase of office furniture. White Cone and Great Yeldham Parish Councils, Halstead Cricket Club, and Little Chestnuts Pre-School were among other recipients in the fourth quarter. In total this year the sum awarded is a total of £33,154, which is 54.1% of the funding available.</p> <p>Eight members have used their full allocation. It has been agreed that members are able to carry forward any underspend from this financial year into the 2024/25 financial year.</p>	March 2024	
<b>Support people who are homeless or at risk of becoming homeless on their pathway to independent living through supported housing and move-on accommodation</b>		
<p>The Council have been working closely with Peabody to deliver this project and have been receiving regular updates over recent weeks. All work for completion of refurbishment works are on track to be delivered by early April.</p> <p>Dates for connection of electricity and water supply are still to be confirmed, with gas connection scheduled for mid-May.</p>	June 2024	

## Actions carried out in partnership with others

Project description and comments	Target Date	Status
<b>Build more resilient communities to respond to emerging issues</b>		
Work continues with Essex County Council to develop a business plan for the next stage of the Levelling Up rural pilot, which will include a request for resource to continue the community engagement work. A sponsors meeting has been held between Braintree District and Essex County Council and the Mid & South Essex Integrated Care System.	March 2025	
<b>Equip young people with the skills required to face challenging situations by delivering crucial crew workshops to schools across the district in partnership with the Community Safety Partnership</b>		
Three crucial crew events took place between 3 - 6 July 2023, delivering workshops to 289 children from 7 primary schools across the district.	March 2024	
<b>Review our Livewell Strategy to support the changing needs of our residents and wider health and care priorities</b>		
The Livewell Strategy was adopted at Cabinet in January. The strategic action plan priorities have been agreed and implementation of the plan will begin next year.	February 2024	
<b>Address the health inequalities of the district through the Mid-Essex Alliance partnership by designing integrated health services in local communities and neighbourhoods</b>		
Managers from across Housing and Communities have been participating in leadership group meetings with the NHS. Concerns were raised by The Council around the duplication of meetings within the current system, which prevents full attendance by council officers. Our Health and Wellbeing manager is working to develop the approach and explore synergies with existing forums.	October 2024	
<b>Oversee the delivery of a safer streets programme to tackle perception of violence against women and girls in the night-time economy and neighbourhood crime for identified areas in Witham</b>		
Wayfinding signage has been installed along River Walk with the intention of increasing footfall and navigational information to residents and tourists. The outreach sports programme aimed at young people in Witham, to promote mental health and wellbeing, saw 108 attendees in the fourth quarter and over 650 across the year.  The safer streets programme in Witham has now concluded, with 18 individual projects contributing to its success including the provision of personal safety alarms and the launch of the Ask Angela campaign. Partners including Witham Town Council, Fusion, Cara, Eastlight, Essex Police and Neighbourhood Watch have been asked for feedback on the project, and a final steering group meeting took place in March.	March 2024	
<b>Deliver two changing places toilets in Witham and Halstead allowing people with complex needs to have greater access to public places to take part in everyday activities</b>		
Work in Halstead has completed with the facilities now open at Halstead Leisure Centre, allowing those with complex disabilities to access the swimming pool, which would not have been possible before.  Planning permission was granted for the additional works required at Witham Town Hall in February. Work on site has commenced, with particular attention paid to the beams in the listed part of the structure, with the support of a structural engineer. The works are anticipated to complete by the end of May 2024. A change control notice has been issued to amend the end date, reflecting the delays encountered.	May 2024	

# PROMOTING PROSPERITY

## Actions carried out by Braintree District Council

Project description and comments	Target Date	Status
<b>Build on the current success of the Horizon 120 Business and Innovation Park by selling the remaining site plots and promoting the development of the phase two land</b>		
<p>It is anticipated the decision to approve the transfer agreement between The Council and the developer for the phase two land will be presented to Cabinet in May.</p> <p>A survey and volume estimate of the soil on the remaining phase one plots has been undertaken, and work has since begun to understand the budgetary and ecological implications of the work. A plan to undertake the groundworks will be devised during the first and second quarter of 24/25, with work anticipated to complete in the third quarter.</p> <p>The target date has been amended from March to December 2024 to allow for the approval and other subsequent arrangements to be made with respects to the phase two development, and for groundworks to be completed over the autumn with respects to the remaining plots.</p>	December 2024	▶
<b>Continue to develop the Witham Enterprise Units to bring forward new business premises for SME's</b>		
<p>Work continues to explore options for the delivery of the Witham Enterprise Units. Given increases in construction cost and changes to the demand for certain property types subsequent to the Covid pandemic, the viability of the project is an important aspect to confirm before progressing with the chosen design.</p> <p>The current design proposal has pre-application planning approval and the financial viability will now be considered before moving forward.</p> <p>It is anticipated that a way forward for the project will be confirmed in the next quarter.</p>	September 2026	▲

<b>Develop and deliver a business support programme based at the Plaza to help District businesses start, grow and increase productivity, especially in key sectors</b>		
37 members have enrolled on the scheme, with 3 places left.	March 2025	
To date, 29 businesses have advised that as a result of this intervention, they have taken up offers of non-financial business support. 29 have adopted new-to-the-firm technologies or processes. 34 have seen an increase in their revenue. 19 new businesses have been created, 14 jobs have been created, 15 jobs have been safeguarded, and 14 businesses have progressed from pre-start to business ready.		

### Actions carried out in partnership with others

Project description and comments	Target Date	Status
<p><b>In partnership with NEEB, deliver a shared prosperity funded programme of support focusing on:</b></p> <ul style="list-style-type: none"> <li><b>Financial and debt management support and advice alongside signposting to other areas of financial support to create and safeguard jobs across north Essex</b></li> <li><b>Digital skills support to businesses across the district enabling them to grow digitally</b></li> </ul>		
<p>The North Essex Economic Board (NEEB) is funding a two-year business support programme with Let's Do Business Group to help businesses in North Essex by delivering high-quality, independent advice to businesses either looking to start or established businesses looking to take their next step and grow.</p> <p>Support offered is categorised into four key areas: Businesses in Rural Areas supporting businesses specifically outside our urban hubs, Blueprint for Business offering workshops and 1:1 events to help drive growth, Development of New Products supporting businesses with a new product or service to bring to market, and Externally Funded Innovation Support to assist businesses utilise other funding to support growth and innovation.</p> <p>The partnership has delivered support across multiple areas throughout the year and achieve 3 of the 5 targets set:</p> <ul style="list-style-type: none"> <li>Businesses receiving non-financial support – 177 (target 150)</li> <li>Jobs created – 27 (target 20)</li> <li>Jobs safeguarded – 22 (target 30)</li> <li>New businesses created – 7 (target 20)</li> <li>Training courses delivered – 28 (target 6).</li> </ul> <p>The business support program will continue into the 24/25 financial year.</p>	March 2025	
<p><b>Facilitate a series of employer led school visits/workshops to introduce students to new industries and sector course pathways</b></p>		
<p>1,500 year 10 students from 8 schools attended the Apprentice Fair in February. The fair showcased apprenticeship schemes from employers and training providers across the Braintree District. Braintree District Council funded the transport for all students to enable attendance.</p> <p>The objective of the fair was to raise career aspirations and attainment, in addition to creating more awareness of alternative post 16 vocational options and career pathways available to students.</p>	March 2024	

The Council continues to work with employers and training providers to offer apprenticeships in other capacities and connect employers directly with schools to raise aspirations further. There is work ongoing to facilitate a visit to Cell and Gene Therapy Catapult in Stevenage for a cohort of students, with transport costs again funded by the Council.		
<b>Support productivity and prosperity in our rural areas through the allocation of grant funding from the Rural England Prosperity Funding</b>		
All Rural England Prosperity Funding applications have been assessed and have been notified as to whether they have passed the threshold for acceptance. Year 1 projects have been sent grant agreements to sign and year 2 projects have been informed about their positions on the waiting list ahead of next year.	March 2025	

**Actions carried out by Braintree District Council**

Project description and comments	Target Date	Status
<b>Develop plans to sustainably close our budget gap by capitalising on commercial opportunities to increase our income stream and identifying a deliverable efficiencies programme</b>		
Commercial group meetings have taken place quarterly throughout the considering commercial ideas, the pipeline of projects, and traded service performance with those leading these activities. This group reviews this activity and the commercial programme as a whole in line with the response to the scrutiny report on Commercialisation.  The Investment and Capital Programme group meetings have been developed with monthly officer meetings taking place to review project progress, capital and revenue project performance and shared services. The Investment and Development Board and Capital Programme Boards are alternated each month for Councillors to review, support and challenge this activity.  The review of services conducted by Commercial Gov identified a number of potential opportunities for the organisation. Primarily a review of fees and charges, where each service was considered with charges benchmarked against other Authorities, to consider where charges were out of alignment with other Authorities. Changes were made in fees and charges across a number of areas, resulting in an increase in income of £123,000, with a plan to develop this further.	March 2024	

The review also identified opportunities for new business and increasing our existing business. Consideration will be given to the resource required to implement these recommendations as a part of the Fit for the Future Programme.		
<b>Develop an Asset Management Strategy to implement a more coherent approach to all property interests across the district</b>		
The Council is working with CIPFA to produce an Asset Management Strategy, with supporting documents such as policy and action plan. The draft of the strategy is due to be delivered in May 2024, after which it will be presented to Cabinet for a decision to adopt the strategy.  The target date has been amended from March to September, to allow review and approval of the strategy once the draft has been received.	September 2024	
<b>Consider an operating model for residents and businesses to potentially subscribe to the garden waste collection service</b>		
The garden waste collection service is now live with collections taking place. Over 35,000 residents signed up to the service, with 85% having taken advantage of the early-bird subscription offer.  A second phase of this project will be developed next year to implement a resident portal, allowing residents to log in and pay for the renewal of their subscription into the 25/26 financial year.	March 2024	
<b>Continue to develop our online and digital services to support changes in customer demand and expectations</b>		
A further increase in My Account users was seen in the fourth quarter, taking the total number of users to over 3,550. This has allowed customers to access services online in a way which was not available previously, including quicker completion of online forms, progress saving of forms, and tracking completed forms. Additionally, the ability to subscribe to the garden waste collection service was included into this year's development.  Functionality will continue to be improved into next year, with inclusion of Single Sign On integration for third party portals, mobile enhancements, push notifications and an improved online booking system.	March 2024	
<b>Understand the impacts of the reforms to national planning policy and mainstreaming biodiversity net gain in the planning system</b>		
Biodiversity Net Gain (BNG) has been implemented into the planning system, and the implications of the Levelling Up and Regeneration Bill are undergoing consultation and consideration at other legislative stages. Some changes have been enacted, but as many others require further consultation before implementation, a definitive end date for the bill cannot be put forward.  The Council will await the outcomes of the consultations and other changes to be enacted and implement these accordingly as and when the details are made available.	January 2024	
<b>Provide fit for purpose car parking machines across our car parks</b>		
The installation of the remaining 14 ticket machines across 7 car parks in Braintree and Witham is due to take place in mid-April. The project is anticipated to be completed ahead of schedule by the end of April.	March 2025	

## Actions carried out in partnership with others

Project description and comments	Target Date	Status
<b>Inform and influence negotiations with Government around a Greater Essex Devolution deal to ensure the benefits are felt locally for residents and businesses</b>		
<p>Progress has been made towards agreeing a devolution deal for Greater Essex, where the Government confirmed that Greater Essex would enter into negotiations with the aim of agreeing a deal by the Autumn Budget Statement on 22 November 2023. Unfortunately a deal has not yet been agreed. The Government remains geared towards devolution, and whilst a deal is still yet to be agreed, the work completed together in Essex has forged strong partnerships and deepened our understanding around what is needed to improve outcomes in an array of policy areas. A new strategic partnership has been established across North Essex along with a commitment to resourcing our collaborative work.</p>	November 2023	
<b>Deliver on the plan for North Essex Authorities to work more closely together on shared priorities and improving resilience</b>		
<p>North Essex Councils (NEC)'s Chief Executive Officers and leaders have continued to meet to discuss the priorities for the programme this coming year. NEC has appointed a new Director, who once in post, will lead the work on delivering the programme in 2024/25.</p>	March 2025	
<b>Drive forward Levelling Up for the district including the rural pilot with Essex County Council</b>		
<p>The draft business case for the project has been received and senior leaders from Braintree District Council, Essex County Council and the NHS Integrated Care Service (ICS) have met to discuss the plan in detail.</p> <p>Further discussion with the ICS have taken place in relation to on-going support and resources, whilst wider funding is considered within the business case.</p>	March 2025	
<b>Review and adopt a new Joint Municipal Waste Management Strategy for Essex</b>		
<p>Following the public consultation on the strategy, the Essex Waste Delivery group reviewed the feedback and updated the strategy. It is anticipated that the strategy will be presented to Essex County Council's cabinet in June, and conditional to its adoption, will be presented to Braintree District Council Cabinet in July 2024.</p> <p>The timeline for this project has been extended to reflect the reliance on Essex County Council's cabinet process to take place prior to our adoption of the strategy.</p>	July 2024	

## Section 3: Managing the Business

### Our Performance Indicators in Detail

Performance Indicator	2023/24									
	Q1 Outturn	Q2 Outturn	Q3 Outturn	Q4 Outturn	Target for the Quarter	Status at the end of the Quarter	Yearly Outturn	Target for the end of the year	Status at the end of the year	
<b>CONNECTING PEOPLE AND PLACES</b>										
Number of affordable homes delivered	77	90	162	95	63		424	250		
Cumulative number of homes granted planning permission (outline and full)	119	173	253	305	796		305	796		
<p><i>Comments: The submission of applications and therefore the rate of applications granted remains unpredictable. A further 52 applications were granted permission in the fourth quarter. The overall target for the year has been challenging, given changes in the market caused by cost-of-living issues (such as borrowing rates and build cost). Furthermore, the anticipated submission of some large applications to the Council have not yet been received. The planning department have been processing numerous speculative applications, however developers continue to be cautious given the current economic climate.</i></p>										
<b>ENHANCING OUR ENVIRONMENT</b>										
Percentage of household waste sent for reuse, recycling and composting	54.14%	53.88%	46.87%	41.44%	60%		49.08%	60%		
<p><i>Comments: The fourth quarter result includes months where garden waste collection was still suspended, returning a lower result. It is hoped that with the new garden waste subscription collections running year round, a more consistent figure should be returned over the winter months in 2024/25. The 60% target is an ambitious target set the Essex Waste Partnership, and the target will be amended in 24/25 to reflect an achievable goal for Braintree.</i></p>										
Kilograms of residual household waste collected per household	108kgs	108kgs	101kgs	111kgs	117kgs		424kgs	468kgs		
Number and percentage of accessible non-hazardous fly tips on public land cleared within 24 hours of being reported	100% (309)	100% (323)	100% (236)	100% (196)	100%		100% (1,064)	100%		
Number of residents assisted in installing energy saving measures	Annually reported							293	Data only	n/a
<b>SUPPORTING OUR COMMUNITIES</b>										
Percentage of Disabled Facilities Grants approved within timescales.	95.35%	100%	94.64%	93.33%	80%		95.51%	80%		
Participation levels across all our sports centres (# of attendees)	177,126	204,842	168,300	172,071	162,194		769,007	653,292		
Participation of adults being active for 150 minutes per week	Annually reported							66.7%	Data only	n/a
<p><i>Comments: There has been an increase of +3.6% compared to last year, and an increase of +16.6% to the baseline figure from 2015/16.</i></p>										

Performance Indicator	2023/24								
	Q1 Outturn	Q2 Outturn	Q3 Outturn	Q4 Outturn	Target for the Quarter	Status at the end of the Quarter	Yearly Outturn	Target for the end of the year	Status at the end of the year
Number of customers using out Handyman scheme	79	69	84	85	Data only	n/a	317	Data only	n/a
Number of homelessness cases prevented	54	67	50	34	Data only	n/a	205	Data only	n/a
<b>PROMOTING PROSPERITY</b>									
Percentage of people in the district claiming out of work benefits rate (aged 16 – 64)	2.7%	2.7%	2.9%	2.9%	Data only	n/a	2.9%	Data only	n/a
Number of new business start-ups across the district	271	269	258	349	Data only	n/a	1,147	Data only	n/a
Number of businesses that have contacted us for business support	63	102	91	203	Data only	n/a	459	Data only	n/a
<b>DELIVERING AND INNOVATING</b>									
Percentage of calls resolved at first point of contact in the Customer Service Centre	64%	60%	56%	55%	70%		58%	70%	
<i>The calls dealt with at first point of contact by customer services are falling short of their target, primarily due to the shifting of simple and straightforward calls to online channels leaving customer services to handle more complex calls requiring transfer to the relevant service area. In 2023/24, a total of 52,812 calls were dealt with at first point of contact out of a total of 90,373 calls into the service.</i>									
Percentage of invoices paid within 30 days of receipt (cumulative)	98.50%	98.60%	98.28%	98.44%	98%		98.44%	98%	
Number of people transacting with us online	33,995	55,634	41,222	43,982	Data Only	n/a	174,833	Data Only	n/a
Time taken to process housing benefit/council tax benefit new claims	17.13 days	16.31 days	15.47 days	16.18 days	18 days		16.27 days	18 days	
Time taken to process housing benefit claim changes	2.89 days	2.69 days	2.54 days	2.38 days	5 days		2.63 days	5 days	
Percentage of Stage 1 complaints responded to within 7 working days	88.61%	94.74%	91.96%	83.46%	90%		90.12%	90%	
<i>Comments: An increase in complaints regarding the garden waste subscription service in March lead to a number of overdue complaints, which resulted in 13 out of 70 complaints responded to outside of 7 working days in the fourth quarter.</i>									
Collection rate for Council Tax	30.50%	58.24%	83.81%	97.59%	97.71%		97.59%	97.71%	
<i>Comments: Collection rate for the year was marginally below target. Performance was above the Essex average of 97.1% for the year.</i>									
Collection rate for Business Rates	30.12%	55.37%	82.9%	98.13%	98.92%		98.13%	98.92%	
<i>Comments: Late Valuation Office Rating List adjustments and review of small business rate relief increased the collectable amount in the final quarter impacting collection rate by around 0.4%. The actual rate achieved was higher than the Essex average of 97.75%</i>									

## **Complaints**

The quarterly complaints analysis for the third quarter of 2023/24 is detailed below. This is compared with 2022/23 figures shown in brackets. The figures represent all three stages of the complaints process.

<b>Complaint Category</b>	<b>Q1 2023/24</b>	<b>Q2 2023/24</b>	<b>Q3 2023/24</b>	<b>Q4 2023/24</b>	<b>TOTAL</b>
Justified	43 (40)	95 (87)	56 (45)	64 (57)	258 (229)
Not Justified	23 (61)	40 (65)	35 (32)	41 (39)	139 (197)
Partially Justified	13 (27)	17 (15)	20 (28)	20 (29)	70 (99)
Not known	0 (0)	0 (0)	1 (1)	4 (0)	5 (1)
<b>Total</b>	<b>79 (128)</b>	<b>152 (167)</b>	<b>112 (108)</b>	<b>129 (125)</b>	<b>472 (526)</b>

### **Comments:**

The fourth quarter saw a minor increase in complaints compared to the third quarter. In addition to complaints regarding missed bin collections, the Operations service saw complaints regarding the new garden waste subscription service following the start of the service in the fourth quarter. A small number of complaints were received for the Customer Service Centre, Governance and Environment.

This year there has been a 10% reduction in overall complaint numbers compared to the previous year. The total number of justified complaints has increased, and non-justified or partially-justified complaints decreased. This indicates that valid complaints are being recognised and remedied, whilst better information about our services and standards are better communicated to our residents.

In total for the year, three complaints escalated to stage 2 in 2023/24, with no complaints escalating to stage 3. This further indicates that we are effectively remedying complaints at the earliest stages of the complaints process.

### **A summary of Local Government Ombudsman (LGO) cases:**

One initial enquiry was received in February regarding noise nuisance and barking dogs caused by a neighbour. The matter was being dealt with and had not been considered as a formal complaint to the Council. The enquiry was closed by LGO in March as a premature complaint.

In total for the year, the Council received two complaints from the LGO, both of which were closed as premature complaints with neither having been presented to the Council to consider as formal complaints.

## Our Organisation

The following is a selection of our people performance measures:

People: Indicators of Performance	Q1 23/24	Q2 23/24	Q3 23/24	Q4 23/24	Change on previous period	Yearly Target
Total headcount	482	489	502	501	- 1	-
Total staff FTE	435.98	444.29	457.18	458.54	+ 1.36	-
Level of employee turnover	3.94%	1.84%	1.99%	3.39%	+ 1.4	-

Percentage of staff with nil sickness	84.56%	68.30%	55.18%	48.7%	Cumulative	-
Number of learning hours	1078	617	751	833	+ 82	-
Number of delegates	200	235	347	379	+ 32	-
Number of apprentices **	19	20	20	21	+ 1	-

Year on Year Headcount Analysis	2018/19	2019/20	2020/21	2021/22	2022/23	2023/24
	481	492	499	492	486	501

\* From the third quarter, the council has moved to reporting working days lost to sickness on a rolling 12 month basis, to allow a more meaningful comparison going forward.

\*\* BDC's apprenticeship programme runs throughout the year. The figures reflect various apprenticeships ranging from level 3 through to a degree level 6

## **Health & Safety**

The following is a selection of our health and safety performance measures. The data is for information purposes only.

Health and safety is a crucial responsibility of everyone within the organisation. This information is used to improve the management of health and safety of staff, our customers, residents and other non-employees we come into contact with. Monitoring is undertaken by the corporate health and safety committee and action plans will be put in place where necessary.

<b>Health &amp; Safety: Indicators of Performance</b>	<b>Q1</b>	<b>Q2</b>	<b>Q3</b>	<b>Q4</b>	<b>Notes</b>
	<i>(2022/23 figure in brackets)</i>				
Total number of reported accidents/ incidents, calculated from:	13 (13)	22 (5)	12 (15)	5 (13)

## Financial Performance - Fourth quarter and end of year position:

### Background

Full Council agreed a budget of £17.5m in February 2023. During the year budgets may be updated in accordance with the Council's Budget and Policy Framework Procedure.

On 11<sup>th</sup> December 2023, Full Council approved a budget transfer of up to £600k between Treasury Management income and all service staffing budgets to offset the in-year additional cost of the April 2023 pay award settlement. Full Council also approved the allocation of up to £300k for the Council's own legal costs relating to appeals against the use of the former Wethersfield air base for an asylum centre, costs to be met from general balances. Costs awarded against the Council would be additional to the agreed spend limit.

A further presentational change was made to the budget to reflect the switch in government grants from specific service grants to Revenue Support Grant. This resulted in an updated budget amount of £17.6m for reporting purposes only.

### Executive Summary

The financial position for the year is as follows:

- **A net positive variance of £1.129m (after carry forwards)**, comprising overachieved income and underspends on staffing costs, partially offset by additional expenditure.
- The provisional outturn is being reviewed to ensure on-going variances have either been reflected in the 2024/25 budget or are taken into account when preparing for the 2025/26 budget and updating of the Medium-Term Financial Strategy.
- An initial review of the savings and additional income indicates that c£1m included within the outturn position has already been reflected in the 2024/25 Budget. Further work is being undertaken including on the pressures that have impacted the position.
- The net change in the **General Fund unallocated balance** is an **increase of £459k**.
- **Capital spending** for the year totalled **£5.1m** including £1.6m on housing improvement and disabled facilities grants; with the balance spent on a mixture of community projects, planned property maintenance, investment into ICT infrastructure and systems, and acquisition of operational vehicles and equipment used in the delivery of front-line services.

## General Fund Revenue Spending

The table below shows the outturn for the year.

Business Plan Service	Updated Budget £'000	Actual Spend £'000	Total Variance £'000	Carry Forwards £'000	Net General Fund £'000	RAG Status
Asset Management	(2,819)	(2,557)	262	0	262	R
Community & Leisure	800	877	77	0	77	R
Corporate Management Plan	1,498	1,533	35	0	35	A
Economic Development	237	230	(7)	0	(7)	G
Environment	944	1,013	69	16	85	R
Finance	660	(689)	(1,349)	50	(1,299)	G
Governance	1,325	1,279	(46)	22	(24)	G
Housing Services	958	944	(14)	0	(14)	G
ICT & Facilities	2,045	1,879	(166)	0	(166)	G
Marketing & Communications	648	620	(28)	0	(28)	G
People & Performance	1,027	889	(138)	77	(61)	G
Operations	7,518	7,164	(354)	0	(354)	G
Strategic Investment	36	36	0	0	0	G
Sustainable Development	1,500	1,746	246	0	246	R
<b>Service Plan Total</b>	<b>16,377</b>	<b>14,964</b>	<b>(1,413)</b>	<b>165</b>	<b>(1,248)</b>	<b>G</b>
Corporate Financing	1,691	1,009	(682)	142	(540)	G
Wethersfield Legal Challenge	0	234	234	0	234	
Efficiency Savings Target	(425)	0	425	0	425	
<b>Net Total</b>	<b>17,643</b>	<b>16,207</b>	<b>(1,436)</b>	<b>307</b>	<b>(1,129)</b>	<b>G</b>

RAG Status: G = favourable or zero variance, A = up to 5% adverse variance or <£50k, R = > 5%

- **Efficiency & Income Allowance** – the budget includes an allowance of £300k for staffing and £125k for income to reflect that historically staffing costs are lower than budget due to in-year staffing changes; and fees & charges income has overachieved budgets.

### Main Changes from Q3

The main changes from the position reported at Q3 relate to the following factors:

**Treasury Management Income (+£209k)** - Cash balances remained significantly higher than forecast allowing for additional short-term investments. The return on the Council's Pooled Funds was higher in the final quarter than previously expected based on historical returns.

**Investment Property Income & Service Charges (+£136k)** – Income achieved from commercial, and property rent reviews increased including backdated adjustments. Services charges in respect of H120 allocated to the Council was lower than previously forecast.

**Sustainable Development (-£124k)** – Planning application income was lower than forecast due to a delay in several major applications that had been anticipated at Q3. These were received in the first quarter of 2024/25.

**Wethersfield Legal Challenge (+£156k)** – £300k has been allocated in respect of the Council's own legal costs relating to legal appeals against the Home Office on the use of the former Wethersfield air base for an asylum centre. To date, £234k has been incurred (£10k in 2022/23). Further costs are anticipated in 2024/25.

The table below breakdowns the Total Variance:

Business Plan Service	Salaries			Other Expenditure			Gross Income		
	Updated Budget	Actual	Variance	Updated Budget	Actual	Variance	Updated Budget	Actual	Variance
	£'000	£'000	£'000	£'000	£'000	£'000	£'000	£'000	£'000

## Commentary on Main Service Variances (+Adverse/ -Positive)

### Asset Management

- Higher cost of interim management arrangements and additional surveyor to complete outstanding rent reviews (+£111k), however, these have been offset by a lower spend on staffing at the Plaza (-£196k).
- Victoria Square – additional site operating costs (+£113k) primarily due to unrecoverable service charges for void units, the bus park, and Eastlight service charge cap. Other costs include a backdated business rate adjustment and increased insurance premia. Reduced lease rent income due to void units (+£64k).
- Lower income from the Hatchery and Makerspace compared to the original business plan and increased estate costs (+£124k). Taking the underspend on staffing into account, the net position on the Plaza is positive variance of -£72k.
- Causeway House - £31k of reduced income due to un-let vacant space. Cost in relation to intervention at the PARC building in order to bring the property back into reasonable condition for re-occupation (+£30k)
- Additional cost of Industrial sites from back-dated rents paid that are sub-let (+£78k) & net increase in rental income from industrial units following rent reviews (-£84k).

### Corporate Management

- Cost of recruitment for the Head of Operations and Head of Planning roles £40k.

### Community and Leisure

- Casual bookings at the Town Hall lower than budget (+£38k) partly due to groups diverting to other venues. This is partially offset by an increase in wedding income (-£13k).

- Extra cost for interim strategic leisure support (+£48k)

## **Economic Development**

- Economic Development is part funded from reserves. The budget assumed £241k of reserves being used compared to the outturn position of £137k. The difference is reflected in a contra movement in earmarked reserves. The reason for the lower use of reserves was due to staffing underspends (-£58k) and underspends in other service related expenditure (-£46k). There was a further variance on expenditure incurred on Business Support activities (-£7k).

## **Environment**

- Building Control net additional agency staff costs incurred due to continuing difficulties in recruitment combined with a high service demand (+£220k), partially offset by additional income generated from new fees and charges schedule introduced for non-statutory ancillary building control services (-£33k).
- Net underspend from vacancies within Environmental Protection and Carbon Management Unit (-£60k)

## **Finance**

- Net underspend on employee costs due to vacancies, reduced hours and staffing starting at lower scale points than budget (-£112k).
- Local tax and housing benefit cost recoveries are lower than budget (+£93k). The cost-of-living is considered to be impacting recovery as most of the liabilities relate to low-income households.
- External audit fees in relation to housing benefit subsidy claim (+£37k).
- Housing benefits net cost of benefits paid (+£155k) – due to an increasing number of claimants in temporary/ bed & breakfast type accommodation used by Housing; and higher rents charged in supported housing schemes.
- Unbudgeted new burdens funding in relation to DWP grants and Energy Rebates / Household support payments (-£85k).
- Treasury Management investment income due to higher interest rates / cash balances (-£1.2m). The variance is against the updated budget after the virement approved by Full Council. Dividends from Pooled fund investments exceeded budget (-£221k).

## **Governance**

- Difficulties with recruitment in legal services led to underspends in the first half of the year (-£159k), partially offset by extra costs incurred via the Local Legal Partnership (LLP) where capacity was provided (+£28k).
- Land charges income from residential searches is lower than budget (+£74k) which reflects the slowdown in housing activity; however, this is partially offset from extra income from commercial searches and a reduction in payments to ECC (-£18k) for their input to searches.

## **ICT & Facilities**

- Corporate ICT systems maintenance (-£54k) and staffing variances (-£51k).
- Causeway House maintenance is overspent (+£42k) whilst energy costs have been lower than budget (-£84k).

## **Operations**

- Net saving on staffing costs due to vacancies (Net -£90k).
- Waste Management and Street Cleansing expenditure is higher due to additional vehicle hire and maintenance costs, partially offset by a combination of a reduction in the market price of diesel; less tonnages of material collected; diversion of waste disposal to

alternative site from Cordons Farm; and lower costs in relation to the Bartec in-cab system (Net +£165k)

- Other expenditure variances across Operations (+£41k) include: provision for additional dilapidation costs at Unit 4 (£35k); lower cost of the replacement of recycling caddies (-£24k); and non-achievement of saving from transfer of community assets (£21k).
- A reduction in income from dry recycling material due to a combination of less tonnage being collected and sharp fall in market price has been offset by higher income from glass where market prices remain higher than allowed in the budget (-£94k).
- Increase in income due to higher demand for the bulky waste collection service (-£61k) and trade waste (-£32k).
- ECC recycling credits are lower due to reduced tonnage being collected (+£58k).
- Increase in waste management income under the Inter-Authority Agreement from ECC (-£80k) due to annual inflationary adjustment from ECC.
- Income from Interments and other related cemetery income is higher and related expenditure (-£73k)
- Horticultural & Plant Workshop additional income (-£36k) from external contracts following a re-pricing exercise.
- Green Waste Charging net income from the new subscription service which started in early March 2024 (-£95k). Increased in credits from ECC due to additional green tonnage (-£31k)
- Car parking income variance (-£30k) reflecting usage continuing to improve with income offsetting the delay in the implementation of the new parking tariffs. Running and maintenance costs are higher including the statutory Parking Order (total £51k).

### **People and Performance**

- Staffing and other variances largely due to recruitment delays, offset by agreed carry-forward (-£61k).

### **Sustainable Development**

- Staffing variance due to current vacancies within the service in relation to the enforcement roles (-£142k)
- Additional costs from external contractors and ECC to cover staff shortages in Landscape services, consultancy, and reactive tree maintenance (+£161k) partially offset by vacancies within the service (-£67k)
- Overall, planning income underachieved by £323k. A shortfall of planning application income (+£419k) after making allowance for the recent uplift in statutory fees by government. At the third quarter, several major applications were expected to be received in the year; however, a number of these were delayed and received in the new financial year. Planning Performance Agreement has exceeded budget by (-£164k), partially offset by lower Pre-application income (+£70k).

### **Corporate Financing**

- Council Tax Sharing Agreement – Council Tax collection performance for the Council and across other Essex authorities was better than the agreement baseline leading to an increase in share-back from preceptors (-£393k).
- Staff time charged to capital projects from service project managers is less than the budget allowed (+£40k).
- The Council's higher cash position resulted in delaying the need to externally borrow and instead use internal cash balances leading to a saving on interest costs. combined with a reduction in the Minimum Revenue Provision required (-£385k).
- The provision for corporate debt has increased (+£252k).

## Wethersfield

- The Council's own legal costs relating to appeals against the former Wethersfield air base for an asylum centre for 2023/24 was £182k (£10k spent in 2022/23). Further costs are anticipated in the 2024/25 year out of the £300k previously agreed allocation. Third part costs currently stand at £52k.

## Capital Programme

Current capital programme totals £14.6m of which £7.8m was profiled into 2023/24:

	Budget Profiled 23/24 £000	Actual Spend 23/24 £000	In-year Variance 23/24 £000	Slippage (-or deduction from future budget) £000	Remaining Variance 23/24 £000
Horizon 120 Business Park infrastructure	501	263	238	-238	0
Horizon 120 - The Plaza	282	29	253	-253	0
Manor Street regeneration	142	35	107	-107	0
Witham Community Centre	200	75	125	-125	0
Town Centre improvements	619	43	576	-576	0
Industrial estate improvements	46	24	21	-21	0
Property planned maintenance	473	346	127	-116	11
Information technology systems & equipment	802	563	239	-239	0
Community facilities, play areas, parks & open spaces	1,088	669	419	-417	2
Cemetery improvements	95	93	2	0	2
Paths, cycleways, and other infrastructure	77	62	16	-16	0
Operational equipment	1,119	877	242	-217	25
Sports and leisure facilities improvements	343	75	268	-268	0
Climate change initiatives	101	0	101	-101	0
Shared / Rural Prosperity Fund	180	31	149	-149	0
Housing renovation & disabled facilities grants	1,427	1,627	-199	179	-21
Capital salaries	351	337	14	0	14
<b>Total</b>	<b>7,846</b>	<b>5,149</b>	<b>2,697</b>	<b>-2,665</b>	<b>32</b>

### Programme summary.

- Totals spend for the year was £5.1m against a profiled budget of £7.8m, resulting in a net variance of £2.7m.
- The updated programme and spend reflects the capitalised costs of recently acquired sweepers as part of the vehicle replacement programme (£645k) the longer-term financing of which is to be finalised e.g. by leasing or similar credit arrangement; and IT spending funded from revenue contributions (£91k).
- Additional S106 monies have been agreed for Witham Town Park improvements (£75k).
- Programme slippage into 2024/25 is £2.7m.
- The overall programme variance was a £32k underspend.

### Capital resources generated.

- Eastlight Agreements: Right-to-Buy sales – 7 sales were completed, generating £735k (in 2022/23 10 sales were completed resulting in £1.6m); and VAT shelter £389k.
- Better Care Funding received of £1.2m which has been used to fund expenditure on disabled facilities grants.
- Capital grants received from the Shared Prosperity Fund (£33k) and Rural Prosperity Fund (£148k).
- Additional funding of £642k was received from SELEP for the Horizon 120 Plaza building – funding is conditional and has been used to reduce the overall project borrowing requirement.
- Other receipts totalling £170k.

## Treasury Management

### Investment activity

The Council's treasury management activity to the end of the year third quarter is summarised in the table below:

Amount Invested at start of the year	Activity for the year		Amount Invested at end of March
	New Investments	Investments Matured	
£47.1m	£124.3m	£114.5m	£56.9m
Average amount invested for the year to date			£68.0m
Highest amount invested in the year to date			£77.3m

Investments totalling £19m were maintained across a range of long-term pooled funds with varying exposures to property, equities, and other financial assets. The remaining balance of investments have been held in short-term investments comprising money market funds; Debt Management Office Account (UK Government); bank deposits; and liquid cash held in a current account with Lloyds Bank.

Dividend income earned for the year was £1m and interest on short-term investments was £2.4m, a total of £3.4m, equivalent to an annualised return of 5.06%.

The market value of shares and units in long-term pooled funds at the end of the quarter was £21.2m, representing an unrealised gain of £2.2m over the amount originally invested.

### Investment portfolio

At the end of the year the Council's investment portfolio comprised the following:

- Long-term pooled fund investments £19m (allocated: £3m property fund; £13m across four equity funds; and £3m in two diversified asset funds)
- Low volatility Money Market Funds (MMFs) (5 x £5m) £25m
- Variable net asset value MMF £4m
- Short Term Fixed Deposits £7.5m
- Lloyds current account £1.4m

### General Fund Balances

General Fund balances are held for the following reasons:

- As a contingency against unforeseen events
- To meet short-term or non-recurrent one-off costs that are not provided in the base budget and/ or are incurred to achieve future savings and efficiencies.

Based on the outturn set out above, the net movement on the General Fund balances is an addition of £459k:

	<b>£'000</b>
<b>Balance at 1 April 2023</b>	<b>8,093</b>
Addition/(deductions):	
Budgeted reduction	(644)
Funding for one-off investment / costs	(206)
Carry-Forward balance from 22/23 / Prior Year Adj.	180
Outturn variance (net carry forwards)	1,129
<b>Sub-total Net Change</b>	<b>459</b>
<b>Balance at 31 March 2024</b>	<b>8,552</b>

Movements shown on the General Fund balance include:

- The Budget for the year was approved based on using balances of £644k
- One-off investment costs include a contribution towards the operating costs of the Plaza £121k and Green Waste Service implementation £85k
- Unused Carry-forwards requests from 2022/23 returned to balances and a prior year adjustment, total of £180k

<b>Report Title:</b> Draft Work Programme 2024/25 and Terms of Reference	
<b>Report to:</b> Corporate Scrutiny Committee	
<b>Date:</b> 10 <sup>th</sup> July 2024	<b>For:</b> Recommendation
<b>Key Decision:</b> No	<b>Decision Planner Ref No:</b> N/A
<b>Report Presented by:</b> Jessica Mann, Scrutiny Officer <a href="mailto:jessica.mann@braintree.gov.uk">jessica.mann@braintree.gov.uk</a>	
<b>Enquiries to:</b> Jessica Mann, Scrutiny Officer <a href="mailto:jessica.mann@braintree.gov.uk">jessica.mann@braintree.gov.uk</a>	

**1. Purpose of the Report**

- 1.1 Each year the Corporate Scrutiny Committee agree their draft Work Programme for the coming year and beyond. This report sets out the proposed topics for the Work Programme following the Call for Topics.
- 1.2 This report also outlines the Terms of Reference (TOR) for the Scrutiny Review into 'NEPP Joint Committee Partnership Arrangements,' which have been agreed by the Chairmen of the 'Scrutiny' Committees.

**2. Recommendations**

- 2.1 To agree the Work Programme of the Committee for 2024/25 (Appendix 1);
- 2.2 To agree the Terms of Reference for the Scrutiny Review into 'NEPP Joint Committee Partnership Agreement (NEPP)' (set out within Appendix 2); and
- 2.3 Consider the steps they wish to take next in order to commence the Scrutiny Review.

**3. Summary of Issues**

- 3.1 As part of the development of the Council's Annual Scrutiny Work Programme, a number of topics have been identified for the purposes of Scrutiny Review based on areas of concern raised previously by Members of this Authority. In conjunction with the Chairmen of the Council's 'Scrutiny' Committees, Management Board have endorsed the following topics for 'tranche one' of the Scrutiny Work Programme:

- NEPP Joint Committee Partnership Agreement
- Voluntary Sector at the Council
- North Essex Councils (NEC) Partnership Working
- Wethersfield Asylum Centre (Operational aspects only)
- Anti-Social Behaviour (ASB)

3.2 The topics have been identified due to their timeliness, alignment with the Council's priorities and their likely impact on the residents of the District. With support from Governance Officers, the 'Scrutiny' Chairmen have been working to 'scope' the above topics and determine the key areas of focus for each topic that Members might explore for the purposes of Scrutiny Review.

3.3 In their discussions, the Chairman of the Corporate Scrutiny Committee, Councillor Paul Heath, felt that the topic of 'NEPP' should be taken forward for the purposes of Scrutiny Review by this Committee, due to the current interest expressed in the topic by the Council and its potential contentiousness. It was also suggested that the topics of 'Wethersfield Asylum Centre' and 'North Essex Councils (NEC) Partnership Working' also be added to the Committee's Work Programme for the purposes of Scrutiny Review, but that these should be taken forward at a later date during the Civic Year.

3.4 Accordingly, the proposed draft Work Programme of the Corporate Scrutiny Committee is set out in Appendix 1. Please note that the Work Programme of the Committee is intended to be a 'live' document that is subject to amendment by the Committee throughout the Civic Year. The proposed Terms of Reference for the Scrutiny Review into the 'NEPP Joint Committee Partnership Agreement' are set out within Appendix 2.

3.5 In order to inform 'tranche two' of the Annual Scrutiny Work Programme, all Members of this Council were invited to participate in a short 'Call for Topics' process in May 2024, whereby topics were submitted for potential inclusion as the subject of a Scrutiny Review in 2024/25.

3.6 Following the conclusion of the 'Call for Topics,' six topic suggestions were received from Members. These topics are currently being assessed by both the Management Board and the Council's 'Scrutiny' Chairmen in order to determine their merit and value to the organisation, should they be taken forward for Scrutiny Review. An update on the topic submissions will be provided to all Members. Once the topics have been agreed, these will be encompassed within the Committee's draft Work Programme.

3.7 Further 'Call for Topics' processes may be conducted later in the year if there is an identifiable need.

#### **4. Options**

4.1 There are no options to consider as a result of this report.

## **5. Next Steps**

- 5.1 Further to the report, the Corporate Scrutiny Committee is asked to consider the next steps they wish to take in order to commence with the Scrutiny Review into 'NEPP Joint Committee Partnership Agreement.'

## **6. Financial Implications**

- 6.1 There are no financial implications arising from this report.

## **7. Legal Implications**

- 7.1 There are no legal implications arising from this report.

## **8. Other Implications**

- 8.1 There are no other implications arising from this report.

## **9. Equality and Diversity Implications**

- 9.1 Each Scrutiny Review will consider any Equality and Diversity Implications as they arise.

## **10. List of Appendices**

- 10.1 Appendix 1 – Draft Work Programme 2024/25
- 10.2 Appendix 2 – Scoping Scrutiny Reviews – NEPP Joint Committee Partnership Agreement

## **11. Background Papers**

- 11.1 [Minutes and Agenda of the Corporate Scrutiny Committee – 3<sup>rd</sup> April 2024](#)

**CORPORATE SCRUTINY COMMITTEE – DRAFT WORK PROGRAMME 2024/25**

**Chairman:** Councillor Paul Heath  
**Vice-Chairman:** Councillor Toby Williams

**Purpose:** To act as the Council's principal Scrutiny Committee, including:-

- Performance monitoring;
- Service performance and effective use of resources;
- Customer feedback;
- Scrutiny of the budget proposals;
- To receive call-in requests and to determine the Committee's response; and
- To receive the annual report of the Community Safety Partnership.

For any enquiries, please contact Jessica Mann, Scrutiny Officer at [jessica.mann@braintree.gov.uk](mailto:jessica.mann@braintree.gov.uk)

Note:- This is a rolling Work Programme and will as such be subject to review and updated accordingly throughout the duration of the Civic Year.

## Appendix 2

### Scoping Scrutiny Reviews – NEPP Joint Committee Partnership Agreement

*This form should be completed at the start of each review and then revisited following the review's conclusion to ensure all lines of enquiry have been addressed and that the objectives / desired outcome has been achieved.*

<b>Topic Title</b>	NEPP Joint Committee Partnership Agreement
<b>Committee</b>	Corporate Scrutiny Committee
<b>Anticipated Timescale for Scrutiny Review</b>	September 2024 to - ?
<b>Lead Officers / Witnesses / Key Stakeholders</b>	From BDC: Kim Mayo, Head of Governance; Esme McCambridge, Strategy and Policy Manager (Ops)  From Colchester CC: Richard Walker, Head of Parking; Jake England, Group Operating Manager at the NEPP?
<b>Relevant Portfolio Holders</b>	To be determined.
<b>What is the purpose of the Review?</b>	To clarify the Council's role within the NEPP and examine the Council's policies around parking, and whether the Council receives 'value for money' being a member of the NEPP.
<b>What is the rationale for the Review?</b>	The Chairman of the CSC expressed a keen interest in taking this topic forward, owing to several complaints he had received from residents from within his Ward. The Chairman of the CPDC also agreed this was a contentious topic.
<b>What do we hope to achieve?</b>	There is merit in examining this topic for 'myth busting' purposes and to allow Members to learn more about the role of the Council's partners within the NEPP, as well as its relationship with Local Highways Panels.
<b>What are the key lines of enquiry (Terms of Reference)?</b>	<ol style="list-style-type: none"> <li>1. What is the role of the NEPP?</li> <li>2. Who are the partners within the NEPP, and where does the Council sit within this?</li> <li>3. How is money generated from car parks used?</li> <li>4. What policies does the Council have around parking?</li> </ol>

	<p>5. What is the value to the Council of being a member of the NEPP?</p> <p>6. How do Members receive information/updates re the NEPP? E.g. communication channels.</p> <p>7. What is the NEPP's relationship with Local Highways Panels?</p>
<b>What is outside the scope of the Review?</b>	
<b>Are there any constraints or caveats to consider?</b>	
<b>Reporting / follow-up arrangements</b>	To be determined.
