<b>Sunday</b>	<b>09:00 to 13:00</b>

#### **Seasonal variations:**

- 2.2 The applicant has detailed a number of steps within the operating schedule to promote the four licensing objectives.

- 2.3 The application has been properly made in accordance with the Licensing Act 2003, and all procedures correctly followed. The completed application form is attached as Appendix 1.

### **3. Background**

- 3.1 Records indicate that the premises has been registered as a general store (food business) since 30<sup>th</sup> March 1992.
- 3.2 The premises has not held a licence to conduct regulated activities since the introduction of the Licensing Act 2003.

### **4. Representations**

- 4.1 The Section 182 Guidance for the Licensing Act 2003 states that relevant representations can be made in opposition to, or in support of, an application and can be made by any individual, body or business that has grounds to do so.
- 4.2 During the 28 day consultation period under the Licensing Act 2003, the Licensing Authority received a valid representation from an interested party (Appendix 4).

### **5 Statement of Licensing Policy**

- 5.1 There are no specific issues arising from this application relevant to the Council's statement of licensing policy.
- 5.2 The following extracts from the Council's statement of licensing policy are brought to the general attention of Members:

(1.2) When assessing applications, other than Personal Licences the Licensing Authority must be satisfied that the measures proposed in the applicant's operating schedule aim to achieve the four licensing objectives.

(1.6) In respect of each of the four licensing objectives, applicants will need to provide evidence to the Licensing Authority that suitable and sufficient measures, as detailed in their operating schedule, will be implemented and maintained, relevant to the individual style and characteristics of their premises and events. Reference will need to be made to whether additional measures will be taken on an occasional or specific basis such as when a special event or promotion is planned, which is intended to, or likely to attract, larger audiences.

(1.19) When considering applications, the Licensing Authority will have regard to

- the Licensing Act 2003, as amended and the licensing objectives,
- Government guidance issued under Section 182 of the Licensing Act 2003, as amended.
- any supporting regulations

- this statement of licensing policy

(1.20) This does not however undermine the rights of any person to apply under the 2003 Act for a variety of permissions and have the application considered on its individual merits, nor does it override the right of any person to make representations on any application or seek a review of a licence or certificate where they are permitted to do so under the 2003 Act.

(1.21) When the Licensing Authority is considering any application, it will avoid duplication with other regulatory regimes, so far as possible, and does not intend to use the licensing regime to achieve outcomes that can be achieved by other legislation. In particular, its licensing functions will be discharged separately from its functions as the local planning authority.

(1.31) Licensing is about the appropriate control of licensed premises, qualifying clubs, temporary events and the people who manage them or hold personal licences within the terms of the 2003 Act. Where relevant representations are made, the Licensing Authority will seek to make objective judgements as to whether conditions may need to be attached to various authorisations and others in possession of relevant authorisations, to secure achievement of the licensing objectives. Any conditions arising from the operating schedule or as a result of representations will primarily focus on the direct impact of the activities taking place at licensed premises on those attending the premises and members of the public living, working or otherwise engaged in normal activity in the area concerned and will cover matters that are within the control of individual licensees.

(1.34) The Licensing Authority recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to each individual premise, in order to avoid the imposition of disproportionate and other burdensome conditions on those premises. Standard conditions, other than mandatory conditions, will therefore be avoided and no condition will be imposed that cannot be shown to be necessary for the promotion of the licensing objectives.

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The applicants/owners live next door to the premises and are therefore in a position to constantly monitor all activity for the prevention of crime and disorder. This is a medium sized village and we expect the majority of the patrons will be known to the DPS/manager and staff, who also live locally. All alcohol purchases will be subject to Challenge 25 protocols. 3 x CCTV (interior) and 2 x CCTV (exterior) with 14 day record storage will be installed. The premises will be fully alarmed. An incidents ledger will be maintained. The shop is being renovated to the highest standard to meet or exceed current Health and Safety legislation. The DPS is a qualified first-aider and holds a 'Save a Life' Certificate as well as Food & Hygiene (Level 2) Certificate, a Health and Safety in the Workplace Certificate, an Understanding Neglect Certificate, an Epilepsy Awareness Certificate and a Prevent Covid-19 Certificate. The DPS/manager is a former nursery assistant, holds a current DBS (Disclosure & Barring Service Certificate) and is trained in child safety issues (grooming, neglect, health and safety, first aid). The DPS will train all staff and ensure all licensable activities are carried on lawfully. The co-applicant/owner Roisin Jones holds a current DBS.

b) The prevention of crime and disorder

3 x CCTV (interior) and 2 x CCTV (exterior) recording at 25 FPS with 14 day image storage will be installed. Appropriate signage indicating the use of CCTV will be posted. The premises will be fully alarmed. An incidents ledger will be maintained. The applicants/owners live next door to the premises and are therefore in a position to constantly monitor all activity for the prevention of crime and disorder. This is a medium sized village and we expect the majority of the patrons will be known to the DPS and staff, who also live locally. Challenge 25 protocols will be implemented to prevent sale of alcohol to minors. All staff will be trained by the DPS and made aware of their social and legal obligations, and their responsibilities regarding the sale of alcohol.

c) Public safety

The shop is being completely refurbished to the highest standard to meet or exceed current Health and Safety legislation. It is designed for maximum visibility and minimum hazards. The shop is being re-wired with new lighting to be installed and will be fully certified by a qualified electrician. The DPS is a qualified first-aider and holds a 'Save a Life' Certificate. All staff will receive appropriate training about emergency and general safety precautions and procedures.

d) The prevention of public nuisance

This is a medium sized village and it is expected that the majority of the patrons will be known to the applicants/owners, DPS and staff who are themselves local. The applicants/owners live immediately next door to the premises and will be constantly monitoring the activity there. Rubbish bins will be provided and cleared regularly. A notice will be posted reminding shoppers to be considerate of the neighbours. The premises will be open until 2100 only.

e) The protection of children from harm

The shop manager is a former nursery school assistant and is trained in child safety issues (grooming, neglect, health & safety, first aid etc) and holds a current DBS Certificate. The co-owner Roisin Jones also holds a current DBS certificate.

### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

14<sup>th</sup> June 2020.

Dear Sir/Madam,

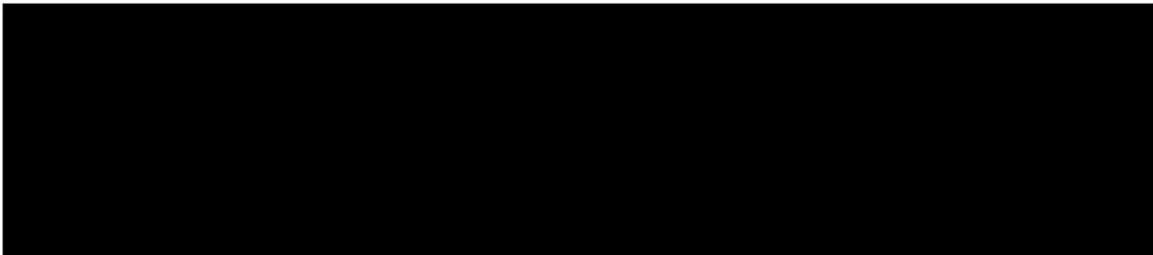

Both my wife and I object to the sale of alcohol (off sales only) at  
Roses Store, 13 Bridge Street, Bures , CO8 5AD. We do not object to a general stores.

The reason we object is because we already have a problem with youths drinking and causing  
damage within the village. The Police from Essex and Suffolk are aware of this.

The sales of alcohol from this shop could increase this problem as the shop is situated across the  
road from the village common. The late opening hours request could also add to any problems that  
may arise.

We already have two Public Houses in the villages (one in Bures Hamlet and the other in Bures St.  
Mary) which we feel is adequate for the alcohol needs of the villages.

Yours faithfully,
