Item		Owner
1.	Welcome and Introductions: Councillor Mrs J Beavis, Chairman of the Local Highways Panel, welcomed everyone to the meeting and she invited those present to introduce themselves. In particular, the Chairman welcomed Members of Braintree District Council's Overview and Scrutiny Committee which was currently conducting a Scrutiny Review into the role of the Highway Authority in the Braintree District. Members of the Committee had been invited to observe this meeting of the Panel.	

Local Highways Panel - Changes and Revised Terms of Reference:

Councillor Mrs Beavis reported that a meeting of County-wide Local Highways Panel representatives had been held at Country Hall, Chelmsford on 3rd April 2018 to discuss how the Panels were operating and if any changes should be made. A further meeting had taken place in September 2018 at which Councillor Bentley, Essex County Council's Cabinet Member for Infrastructure had indicated that he proposed to introduce changes to the way in which the Panels operated. One of these changes would enable all County Councillors in an area to attend meetings of their Local Highways Panel and to have voting rights. All County Councillors would receive training on highway matters. In addition, at least one Member of each Panel would be appointed to represent Parish Councils in the area. Councillor Mrs Beavis was pleased to report that some of the changes already applied to the Braintree Highways Panel and that they would not be a detriment to the way in which the Panel operated. New Terms of Reference would follow.

As part of the Cabinet Member's improvements, a Highways Highlights Bulletin which contained information about highway matters was being published on a regular basis.

Cycling Officer's Report:

Councillor Mrs Beavis was pleased to welcome Mr Kris Radley, Essex County Council's Cycling Officer to the meeting and she invited Mr Radley to give a presentation to Members of the Panel on the County Council's Cycling Strategy.

Mr Radley stated that the aim of the Strategy, which had been adopted in 2016, was to enable people to cycle safely and more often and to double the number of people cycling by 2025 in line with the Department of Transport's target. People would be encouraged to treat cycling as an everyday activity, which would help to reduce congestion, improve air quality and enhance the health and well-being of local people. The key themes of the Strategy were cycle path design best practice; to promote behavioural change regarding modes of travel; to encourage high profile cycling events to take place in Essex; and to provide a coherent cross-County cycle network.

Cycling Action Plans for a cycle network had been prepared for each District/Borough in the County. These were available to view on Essex County Council's website. The Cycling Action Plans would assist in seeking funding from the Department of Transport via the Local Cycling and Walking Infrastructure Plan process (LCWIP). In particular, it was proposed that key cycling corridors should be

	<p>established in the County. Braintree, Chelmsford and Colchester were key target towns and it was proposed that they should link to a strategic network. It was hoped that funding for this network would be obtained from the Department of Transport in the 2019/20 financial year.</p> <p>Following his presentation, Mr Radley answered questions raised by Members of the Panel.</p>	
2.	<p>Apologies for Absence and Declarations of Interest:</p> <p>Apologies for Absence:</p> <p>Apologies for absence were received from Councillor G Butland (BDC) Councillor D Louis (Vice-Chairman) (ECC), Councillor R Mitchell (ECC) and Councillor R van Dulken (BDC).</p> <p>Declarations of Interest:</p> <p>There were no interests declared.</p>	
3.	<p>Public Questions:</p> <p>There were no questions asked, or statements made.</p>	
4.	<p>Minutes:</p> <p>The Minutes of the meeting of Braintree Local Highways Panel held on 29th March 2018 were approved as a correct record and signed by the Chairman, subject to Minute 11 (Date of Next Meeting) being amended to indicate that the next meeting of the Panel would take place on 11th October 2018 (the meetings scheduled for 21st June 2018 and 20th September 2018 had been cancelled).</p>	
5.	<p>Matters Arising from Minutes of the Previous Meeting:</p> <p>It was reported that all action points which had been recorded at the meeting of Braintree Local Highways Panel held on 29th March 2018 had been dealt with and updates were provided.</p> <p>The following matters were raised:-</p> <p><u>Minute 3 – Public Questions (Scheme LBRA142006 - Carriageway widening, installation of footpath and new kerbing at the B1018 Braintree Road, Cressing)</u></p> <p>Members of the Panel expressed their appreciation for the maintenance work which had been carried out at this location. However, it was acknowledged that this was a temporary measure and that a permanent solution was required. It was queried whether</p>	

	<p>such work could be carried out as part of Highways England's proposed construction of 'on' and 'off' slip roads at Millennium Way, Braintree, but Members were advised that the slip roads project would not include improvements to the B1018. A more permanent scheme was proposed which was dependent on a local land owner making land available and planning permission being granted for a development proposal. It had also been suggested that the scheme could be funded from the 'New Homes Bonus'.</p> <p>Members were aware that although this scheme had been discussed for many years, it remained a priority as the site was very dangerous. It was reported that if the value of the work exceeded £250,000, it would be categorised as a capital scheme and it would not be funded from the Local Highways Panel's budget.</p> <p>Action By: Jasmine Wiles, Essex Highways. To check the current status of this scheme.</p> <p><u>Minute 5 - Matters Arising from Minutes of the Previous Meeting (Minute 8 - Appendix - Section 106 Agreements – Progress Update 2017/18 - Junction improvements and signal enhancement at Newland Street/The Avenue/The Grove, Witham)</u></p> <p>Councillor Abbott indicated that white lining work at this junction had not been carried out and that drivers were unable to see the traffic signals when turning from Newland Street into The Grove, Witham.</p> <p>Action By: Jasmine Wiles, Essex Highways. To investigate Councillor Abbott's queries.</p> <p><u>Minute 6 – Finance Update</u></p> <p>A financial update relating to schemes implemented in the 2017/18 financial year was circulated at the meeting. This showed budget allocation and predicted expenditure for each scheme and it indicated a number of variances.</p> <p>Further financial information was provided during the consideration of Item 6 - Approved Works Programme. The discussion relating to this information is recorded in Minute 6 of this meeting.</p> <p><u>Minute 7 – Approved Works Programme</u></p> <p>Reference was made to an on-going flooding issue at Mill Lane/Guithavon Valley, Witham, which related to the inadequacy of existing drains and insufficient drainage. In an update, it was reported that design work would be undertaken during the 2018/19 financial year. As the work had been categorised as a capital, surface water alleviation scheme, it would not be funded from the Local Highways Panel's budget. It was anticipated that the scheme could be implemented in early 2019.</p>	<p>(HLO)</p> <p>(HLO)</p>
--	---	---------------------------

<p>6.</p>	<p>Approved Works Programme:</p> <p>Consideration was given to a report setting out a programme of schemes which the Panel had recommended for approval. The report provided an update on the current position of all schemes which had been recommended for inclusion in the 2017/18 and 2018/19 programmes of work. The schemes denoted in 'green' had been completed; those denoted in 'grey' had been cancelled and could be removed from the schedule; and those denoted in 'yellow' were to provide an update to the Local Highways Panel. The report also included schemes which had been prioritised for implementation in 2019/20 as part of a rolling programme.</p> <p>In an update to the budget position, it was reported that some high value schemes had been cancelled and that a number of small scale schemes which had been carried out by the 'Direct Delivery Team' had been implemented at a reduced cost. In the circumstances, funding was available to implement up to 13 'Direct Delivery Team' schemes plus £100,000 for other schemes contained within the rolling programme and on the list of potential schemes during the 2018/19 financial year.</p> <p>In discussing this Item, it was reported that top-up funding was required for schemes LBRA155005, LBRA181004 and LBRA175001. Members of the Panel agreed that top-up funding should be provided as detailed in paragraph (4) below.</p> <p>DECISION:</p> <p>(1) That the following 'Direct Delivery Team' schemes on the 2019/20 rolling programme be recommended for approval:-</p> <p><u>Traffic Management</u></p> <p>LBRA172025 – Installation of a give way sign on the approach to Colemans Bridge, Little Braxted Lane j/w Colemans Bridge, Witham Estimated Cost:- £3,000</p> <p>LBRA172026 - Installation of advance bend warning signage, Ashes Farm Cottages, Ashes Road, Cressing Estimated Cost:- £4,000 (This scheme to be implemented with scheme LBRA172027)</p> <p>LBRA162068 – Improvement of existing signs at the bends on the B1018 Maldon Road, Witham Estimated Cost:- £8,000</p> <p>LBRA172028 - Reduction in the size of an old road sign, or relocation to avoid visibility issues for people waiting at the</p>

9.	<p>Any Other Business:</p> <p>Potential Schemes Comparison:</p> <p>Councillor D Smith referred to an E-Mail which he had circulated to Members of the Panel on 10th October 2018 setting out the results of his analysis of the Potential Schemes List. Councillor Smith explained that the analysis related to the lists prepared for the Panel's meeting scheduled for 21st June 2018, which had subsequently been cancelled, and for the meeting of 11th October 2018.</p> <p>Councillor Smith stated that between June and October 2018 there had been a small increase in the number of schemes on the List from 74 to 85, but that the total value of the schemes had increased from £419,500 to £763,750.</p> <p>In order to manage the Potential Schemes List in a better way, Councillor Smith suggested that Ringway Jacobs/Essex County Council should provide estimated costs when validating new schemes.</p> <p>Braintree Local Highways Panel - Appointments With Jasmine Wiles, Assistant Highways Liaison Officer:</p> <p>The Chairman reported that Jasmine Wiles, Essex Highways Assistant Highways Liaison Officer had arranged to work from Causeway House, Braintree on the last Thursday of every month to enable Councillors to meet with her to discuss highway related issues. This new arrangement had commenced in July 2018 and it was working well. It was suggested that details of this facility should be forwarded to the Parish and Town Councils in the District. Members of the Panel commended this new initiative and other recent changes which had improved the way in which the Panel operated.</p>	
10.	<p>Date of Next Meeting:</p> <p>It was noted that the next meeting of Braintree Local Highways Panel would take place on 17th January 2019.</p>	

	<p>A future meeting of Braintree Local Highways Panel will take place on 28th March 2019.</p> <p>The meeting commenced at 6.00pm and closed at 8.10pm.</p> <p>Councillor Mrs J Beavis (Chairman)</p>

BRAINTREE DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL

LOCAL HIGHWAY PANEL – 4th FEBRUARY 2019

REPORT 3 – POTENTIAL CAPITAL SCHEMES

It is envisaged that the 2019/20 Capital budget for the Braintree LHP will be the same as that in 2018/19 (£407,789), though this will be finalised by ECC at their full Council meeting in February 2019.

There are five Casualty Reduction schemes in Braintree which will need to be funded from this pot so this figure is subject to change once the costs have been confirmed.

Members are therefore invited to commence prioritising schemes which will then be finalised at the final meeting of the year. As with previous years a mix of feasibility studies and physical works are recommended to help form a deliverable programme.

Costs supplied are estimates only and there is the possibility that a final scheme cost can change significantly dependant on issues which may arise during detailed design and construction.

Scheme Type	Total Estimated Costs
Traffic Management	£284,500
Walking	£173,500
Passenger Transport	£0
Cycling	£0
Public Rights of Way	£84,500
Total	£542,500

On the Potential Schemes List, the RAG column acknowledges the status of the scheme request as shown below:

G	The scheme has been validated as being feasible and is available for consideration
A	The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered
R	A scheme request has been received but is against ECC policy or there is no appropriate engineering solution
V	A scheme request has been received and is in the initial validation process

1	Kelvedon Road, Coggeshall	Install a VAS for southbound traffic	Coggeshall Parish Council	Coggeshall	Total scheme	LBRA162017	£11,000	A new speed survey has been undertaken and it still meets the guidance for a VAS to be installed travelling southbound. However there are still concerns regarding signage clutter.	G
2	Water Lane, Shalford - Quiet Lane	Implementation of a Quiet Lane	Shalford Parish Council/Cllr Walters	Shalford	Total scheme	LBRA162029	TBC	There is currently a trial underway for Quiet Lanes with 5 chosen sites being implemented in the 17/18 financial year. New sites can be considered after the conclusion of this trial.	V
3	Lamb Lane, Innham Hill and Southey Green, Sible Hedingham - Quiet Lane	Implementation of the 3 locations as Quiet Lanes	Sible Hedingham Parish Council and Cllr Finch	Sible Hedingham	Total scheme	LBRA162027	TBC	There is currently a trial underway for Quiet Lanes with 5 chosen sites being implemented in the 17/18 financial year. New sites can be considered after the conclusion of this trial.	V
4	Woolpits Road, Great Saling - Quiet Lane	Implementation of a Quiet Lane	Great Saling Parish Council	Great Saling	Total scheme	LBRA162033	TBC	There is currently a trial underway for Quiet Lanes with 5 chosen sites being implemented in the 17/18 financial year. New sites can be considered after the conclusion of this trial.	V
5	Finchingfield Road, Steeple Bumpstead - Feasibility for layby	Feasibility for installation of a layby	Cllr Westrope and Cllr Finch	Steeple Bumpstead	Feasibility	LBRA162020	£6,500	There are a number of issues with installing a parking bay here. The level difference from the edge of carriageway to the back of the verge is quite large and to install a parking bay would mean excavating a large amount of the verge, this could affect the brick wall that is there. There is also a BT chamber which would need to be moved, this could add significantly to the delivery costs of the scheme. There is a bench in-situ as well and this would likely need to be removed to allow the bay to be installed.	G

19	Mitchells Avenue, Halstead	Request for some signage to indicate to vehicles which way to drive around the informal traffic island	Halstead Town Council	Halstead	Feasibility	LBRA172016	£2,000	Land is not highway maintainable need to determine the land owner and contact them in the first instance.	G
20	Hedingham Road, Halstead	Request to look into improving the signage along Hedingham Road	Cllr Gronland	Halstead	Total scheme	LBRA172029	-	Validation returned and recommended no further action as the signage in this location is sufficient.	R
21	Beazley End / Codham - Wethersfield	Request to change the existing speed limit to a 30mph	Cllr Butland	Wethersfield	Total scheme	LBRA172031	-	Validation highlighted that due to the rural nature of the road there is nowhere to install the necessary terminal signage so therefore we cannot proceed with this scheme.	R
22	Hall Road, Panfield - Signage	Request for advanced bend warning signage	Panfield Parish Council	Panfield	Total scheme	LBRA172032	-	Validation has proposed no further action as this is a local road which mainly just residents will be using and whom should be aware of the bend.	R
