

## **Planning Committee agenda for Meeting on 24<sup>th</sup> October 2017**

### **Addendum to Agenda item 5c Application No. 17/01263/FUL – Replacement windows at 9 Francis Way Silver End.**

This addendum concerns an amendment to the published Committee report relating to the application referred to above. The published report incorrectly stated that 4 windows were proposed to be replaced whereas the application seeks permission for the replacement of 9 windows which can be summarised as follows:-

- 1 no. first floor window on the left hand side elevation
- 1 no. first floor window on the right hand side elevation
- 1 no. first floor window on the front elevation.
- 2 no. windows either side of the front door on the front elevation
- 2 no. ground floor windows on the front elevation
- 2 no. ground floor windows, one on each side elevation

In addition, the recommendation needs to be amended to refer specifically to the approved details which are:

Technical Plan        (Fixed; Opener; Fixed next to a opener; Overlapped flat astragal Bars; A-shaped Astragal Bar)
