Item		Owner
1.	<p><b>Welcome and Introductions:</b></p> <p>Councillor Mrs J Beavis, Chairman of the Local Highways Panel, welcomed everyone to the meeting. Councillor Mrs Beavis introduced Ms Lisa Hinman, Area Manager for North Essex Parking Partnership, who had been invited to attend the meeting. Ms Hinman outlined the Parking Partnership's responsibilities for the enforcement of on-street and off-street parking in the Braintree District and her specific role. Ms Hinman invited Members of the Panel to contact her by E-Mail if they had any queries.</p>	
2.	<p><b>Apologies for Absence and Declarations of Interest:</b></p> <p><b>Apologies for Absence</b></p> <p>Apologies for absence were received from Councillor D Gronland (BALC) and Councillor D Smith (BALC).</p>	

	<p><b>Declarations of Interest</b></p> <p>There were no interests declared.</p>	
<p><b>3.</b></p>	<p><b>Public Questions:</b></p> <p>There were no questions asked, or statements made.</p>	
<p><b>4.</b></p>	<p><b>Minutes:</b></p> <p>The Minutes of the meeting of Braintree Local Highways Panel held on 6th July 2017 were approved as a correct record and signed by the Chairman.</p>	
<p><b>5.</b></p>	<p><b>Matters Arising from Minutes of the Previous Meeting:</b></p> <p>It was reported that all action points which had been recorded at the meeting of Braintree Local Highways Panel on 6th July 2017 had been dealt with.</p> <p>The following matters were raised:-</p> <p><u>Minute 1 – Welcome and Introductions – Name of Braintree Local Highways Panel</u></p> <p>It was reported that the Cabinet Member for Highways had been consulted about the name of the Panel reverting back to Braintree ‘District’ Local Highways Panel. The Cabinet Member had agreed to consider the request and to review the names of all other Local Highways Panels across the County in accordance with the Panels’ new Terms of Reference.</p> <p><u>Minute 1 – Welcome and Introductions – Training</u></p> <p>It was reported that a training session on the work and responsibilities of the Local Highways Panel had been arranged for Thursday, 26th October 2017 at Causeway House, Braintree between 1.00pm and 4.00pm (rescheduled from 12th September 2017). All Members of the Panel, Essex County Councillors representing the Braintree District and all Braintree District Councillors were invited to attend. It was requested that the session should include training on Section 106 Agreements.</p> <p><u>Minute 4 – Matters Arising – Schemes for Consideration by the Panel</u></p> <p>(Scheme LBRA142006 - Carriageway widening, installation of footpath and new kerbing at the B1018 Braintree Road, Crossing)</p> <p>It was reported that on 18th July 2017 Braintree District Council’s Planning Committee had granted permission for the development of a DIY Store on adjoining land, subject to a Section 106 Agreement. One of the Terms of the Agreement stipulated that the DIY Store should not open for trade until land in the ownership of the applicant,</p>	

<p>which was required to deliver the B1018 Braintree Road Crossing Improvement Scheme had been dedicated to the Highway Authority free of all charges.</p> <p>Concern was expressed that the road improvements could be delayed pending the opening of the store. However, Jasmine Wiles, Essex Highways reported that she had met with the land owner who had stated that the land would be made available when required by the Highway Authority. It was reported that the estimated cost of the scheme (£200,000 in the 2014/15 financial year) could be higher than previously reported. The scheme could not be funded until the 2018/19 financial year at the earliest and it could utilise at least half of the Panel's annual budget. It was queried whether any other sources of funding were available. It was reported that the Panel's Terms of Reference stated that schemes with a value less than £200,000 should be considered for funding by the Local Highways Panel and that those in excess of £200,000 should be funded from other Essex Highway budgets.</p> <p><u>Minute 5 – Public Questions</u> (Speeding vehicles - Dog Chase, Wethersfield) Councillor G Butland reported that, in his capacity as Essex County Councillor for Three Fields and Great Notley Division, he had met with residents and representatives of Wethersfield Parish Council on site to discuss the way forward. It had been agreed that the Parish Council should carry out a survey of residents regarding possible solutions and report back on the solution which had the support of the majority.</p> <p><u>Minute 6 – Approved Works Programme Update 2017/18</u> It had been requested that actual scheme costs were provided to the next meeting of the Panel. Sonia Church stated that this information could be considered commercially sensitive due to the bid/award system that Essex Highways undertook. Members of the Panel reiterated that as they were accountable to the public when making decisions, it was important that someone should be responsible for monitoring expenditure against the Panel's budget to ensure that value for money was achieved. Essex County Council currently monitored expenditure against budget however the Panel would like this escalated. It was agreed that the appropriate Finance Officers for Essex Highways and Ringway Jacobs should be contacted and an acceptable solution sought. Sonia Church reassured the Panel that a meeting would be arranged to discuss this.</p> <p><b>Action By: Sonia Church, Essex Highways. To report back to the Chairman of the Panel before the next meeting.</b></p> <p>In discussing this Item, reference was made to a missing sign directing traffic from Earls Colne to Coggeshall which had been reported to Essex Highways on previous occasions. Councillor Mrs</p>	<p>(HLO)</p>
---	--------------

	<p>Beavis, in her capacity as Essex County Councillor for Halstead Division, agreed to follow this matter up.</p>	
<p><b>6.</b></p>	<p><b>Village Gateway Signs – Funding</b></p> <p>Members of the Panel were requested to consider whether the Panel should support requests for ‘gateway signs’ at the entrances to villages/towns to be funded from the Panel’s budget. It was noted that the Panel had agreed in the past not to support such requests and Parish/Town Councils were required to finance the signs themselves.</p> <p>It was reported that requests for ‘gateway signs’ were validated by Essex Highways, who determined whether the signs could be erected on the highway. Whilst it was the policy of Essex Highways to permit such signs, their ability to reduce the speed of approaching vehicles was considered to be dependent on location. Parish/Town Councils were expected to fund the provision of the signs, although some part funding could be available.</p> <p>Members agreed that in future the Panel should consider requests for ‘gateway signs’. However, the Panel would not normally support the funding of these unless there were overriding road safety issues, which a highway engineer had confirmed could be mitigated by the provision of a ‘gateway sign’. If there were mitigating circumstances, the Panel would recommend that the Cabinet Member for Highways should consider the request.</p>	
<p><b>7.</b></p>	<p><b>Approved Works Programme Update 2017/18:</b></p> <p>Consideration was given to a report setting out a programme of schemes which the Panel had recommended for approval. The report provided an update on the current position of all schemes which had been recommended for inclusion in the 2017/18 programme of work. The report included also schemes which had been prioritised for implementation in 2018/19 as part of the rolling programme of work.</p> <p>Members were reminded that the capital budget for Braintree Local Highways Panel for 2017/18 was £407,789. From this sum, £28,000 had been allocated to safer roads schemes and, in total, schemes to the value of £314,500 were programmed to be delivered in 2017/18. The total value of schemes in the rolling programme for 2018/19 was £188,000.</p> <p>In discussing this Item, specific reference was made to the following matters:-</p> <p>Scheme 162017 - Installation of a VAS sign for vehicles travelling South-bound, Kelvedon Road, Coggeshall</p>	

	<p>It was noted that due to there currently being a ‘road narrowing’ VAS close to the vicinity it would be seen as signage clutter if the VAS signs were too close together. Another speed survey had been arranged along Kelvedon Road, Coggeshall to see if the VAS could be installed in a different location. The scheme is to be placed on hold for the 2017/18 financial year for further investigation.</p> <p>Scheme LBRA162003 – Relocate sign and upgrade to a larger blue ‘width restriction’ sign along The Grove, The Grove j/w Pasture Road, Witham It was noted that the existing signage was considered to be adequate, but that advance signage would benefit from having ‘width restriction’ wording added. The signage also required cleaning. <b>Action By: Jasmine Wiles, Essex Highways. To arrange for signage at The Grove j/w Pasture Road, Witham to be cleaned by the Highways Rangers.</b></p> <p>Scheme LBRA168002 – Public Right of Way improvements, Footpath 19, Hatfield Peverel It was reported that funds were available due to savings on other schemes to include an additional scheme in the 2017/18 programme of work and it was proposed that this scheme should be brought forward from 2018/19. <b>Action By: Jasmine Wiles, Essex Highways. To include scheme LBRA168002 – Public Right of Way improvements, Footpath 19, Hatfield Peverel in the 2017/18 programme of work.</b></p> <p>Scheme LBRA152064 – Design, Panners Roundabout adjacent to Hungry Horse Public House, A131 Great Notley It was noted that the description of this scheme should include reference to ‘provision of signal crossing’. <b>Action By: Jasmine Wiles, Essex Highways. To amend the description of the scheme.</b></p> <p>Scheme LBRA152070 – Installation of new signage and re-routing of HGVs, Oak Road, Rivenhall It was noted that the description of this scheme should be amended to state that it is on hold pending an announcement on the preferred route for the widening of the A12. <b>Action By: Jasmine Wiles, Essex Highways. To amend the description of the scheme.</b></p>	<p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p>
<p><b>8.</b></p>	<p><b>Potential Schemes List:</b></p> <p>Consideration was given to a report containing a schedule of possible schemes. It was noted that the Panel’s capital budget for its 2017/18 programme of work had been fully committed. The value of unallocated schemes on the potential schemes list currently amounted to £307,000.</p>	

	<p>It was reported that at the Panel's meeting in January 2018, Members would be requested to prioritise schemes in the 2018/19 programme of work so that these could commence in the first quarter of the new financial year.</p> <p>In discussing this Item, specific reference was made to the following matters:-</p> <p>Scheme LBRA152140 – Upgrading of pedestrian refuge B1389 Hatfield Road, Witham  It was agreed that the upgrading of this pedestrian refuge West of Augustus Way, Witham to a signal crossing should be implemented as soon as possible and that it should not be delayed pending the proposed installation of a toucan crossing at the roundabout, Hatfield Road, Witham.  <b>Action By: Jasmine Wiles, Essex Highways. To recommend to the Cabinet Member for Highways that scheme LBRA152140 is included within the schedule of approved schemes.</b></p> <p>Scheme LBRA162034 – Installation of parking places/grasscrete, Yeldham Road, Sible Hedingham  It was noted that the description of this scheme should be amended to refer to either parking 'places' or parking 'bays', but not both. At the Chairman's request, it was agreed that this scheme should remain on the schedule of potential schemes even though its status had been assessed as being in the 'red' category as it did not meet the criteria.  <b>Action By: Jasmine Wiles, Essex Highways. To amend the description of scheme LBRA162034.</b></p> <p>Scheme LBRA162049 – Provision of roundels at village gateway, Cressing  It was agreed that although the status of this scheme had been assessed as being in the 'red' category as it did not meet the criteria, the scheme should remain on the schedule of potential schemes as there had been a fatal accident at the site recently.</p> <p>Scheme LBRA162058 – Installation of passing places, Hulls Lane, Shalford  It was agreed that this scheme, which had been assessed as being in the 'red' category as it did not meet the criteria, should be removed from the schedule of potential schemes.  <b>Action By: Jasmine Wiles, Essex Highways. To remove scheme LBRA162058 from the schedule of potential schemes.</b></p> <p>Scheme LBRA162062 – Installation of bollards, Frostnails, Blackmore End, Wethersfield CM7 4DD  It was agreed that this scheme, which had been assessed as being in the 'red' category as it did not meet the criteria, should be removed from the schedule of potential schemes.</p>	<p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p>
--	---	--

	<p><b>Action By: Jasmine Wiles, Essex Highways. To remove scheme LBRA162062 from the schedule of potential schemes.</b></p> <p>Scheme LBRA172005 – Implementation of a Quiet Lane, Water Lane, Helions Bumpstead It was agreed that this scheme, which had been assessed as being in the ‘red’ category as it did not meet the criteria, should be removed from the schedule of potential schemes.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To remove scheme LBRA172005 from the schedule of potential schemes.</b></p> <p>Scheme LBRA172012 – Extension of 30mph speed limit, Bovingdon Road, Blackmore End, Wethersfield It was noted that this scheme, which had been categorised incorrectly as being in the ‘red’ category was ‘in validation’ and that it should remain on the schedule of potential schemes.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To amend the category allocation of scheme LBRA172012.</b></p> <p>Scheme LBRA172014 – Provision of a vehicle activated sign, or traffic calming measures, Church Street, Witham It was agreed that this scheme, which had been assessed as being in the ‘red’ category as it did not meet the criteria, should be removed from the schedule of potential schemes.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To remove scheme LBRA172014 from the schedule of potential schemes.</b></p> <p>Scheme LBRA172020 – Provision of improved visibility, Rectory Lane j/w Rickstones Road, Rivenhall It was noted that the description of this scheme should be amended to refer also to the need to protect pedestrian safety.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To amend the description of scheme LBRA172020.</b></p> <p>New Scheme - Introduction of speed restriction, Codham Little Park Drive, Beazley End Councillor G Butland, in his capacity as Essex County Councillor for Three Fields and Great Notley Division, stated that he had spoken to local residents about this matter. It agreed that Councillor Butland should complete and submit a scheme request so that the matter could be added to the schedule of potential schemes.</p> <p>Revenue Budget Scheme – PV2 survey request, Templars Infant, Nursery and Junior Schools, Cressing Road, Witham It was noted that the results of the PV2 survey had been published.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To forward the results of the PV2 survey to Councillor Abbott.</b></p>	<p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p> <p>(HLO)</p>

<p>9.</p>	<p><b>Appendix</b></p> <p><b>Section 106 Agreements – Progress Update 2017/18</b></p> <p>Consideration was given to a report on the progress of the following six schemes which were being funded via Agreements under Section 106 of the Town and Country Planning Act 1990.</p> <ul style="list-style-type: none"> <li>- Provision of two bus shelters - Newland Street, Witham (completed)</li> <li>- Improvements to bus stops - junction of Braintree Road/Alienor Avenue, Great Bardfield (completed)</li> <li>- Bus stop improvements - Rayne Road, Braintree</li> <li>- Passenger transport improvements (installation of bus shelter and flag pole) - Bramble Road, Witham (completed)</li> <li>- Highway improvements - Mount Hill, Halstead</li> <li>- Provision of shared pedestrian/cycleway at Maltings Lane, Witham</li> </ul> <p>In discussing this Item, a Member of the Panel queried how much money was available for schemes funded via Section 106 Agreements. It was suggested that Mr Matt Valentine, Essex Highways, who was responsible for administering these schemes should be invited to attend the Panel’s scheduled training session on 26th October 2017 to provide more details. It was noted also that Braintree District Council maintained a register of Section 106 Agreements, which included information about funds and how they were to be allocated.</p> <p><b>Action By: Sonia Church, Essex Highways. To invite Mr Matt Valentine, Essex Highways, to attend the Panel’s training session on 26th October 2017 to provide more details about the finance available for schemes being funded via Section 106 Agreements.</b></p> <p><b>Highways Rangers</b></p> <p>Consideration was given to a report on work requests received for the Highways Rangers and the work completed by them for the months of April 2017, May 2017, June 2017, July 2017, August 2017 and September 2017.</p> <p>Members of the Panel were reminded that the process for requesting work to be carried out by the Highways Rangers had changed in order to provide a uniform system across all twelve District/Borough/City Councils in Essex. Requests were now submitted to a dedicated Highways Rangers email address using a Rangers’ Request form. The requests were collated and referred to the Highways Rangers on a monthly basis.</p> <p>It was noted that the recent review of the Highways Rangers service</p>	<p>(HLO)</p>
-----------	--	--------------

	<p>had identified some work requests, which had been outstanding for some time. These requests had not previously been referred to the Highways Rangers and it was possible that some tasks were no longer required. It was proposed that the Highways Rangers service, which was provided by Braintree District Council, should utilise the Council's monitoring system to ensure the most effective use of resources.</p> <p>A Member of the Panel made reference to the need to submit some work requests every year despite the tasks being annual requirements. It was stated that preferably the Highways Rangers service should be proactive rather than reactive.</p>	
<p><b>10.</b></p>	<p><b>Any Other Business</b></p> <p><b>Proposers of Scheme Requests – Report Information</b></p> <p>Members of the Local Highways Panel suggested that 'Approved Works Programme' and 'Potential Schemes' reports submitted to the Panel should in future include the name of the Councillor, or Parish/Town Council who had proposed the scheme. The information had previously been included within these reports, but it had been removed to provide continuity across all Local Highways Panels in Essex. It was reported that the requisite information was available and that it could be re-instated.</p> <p><b>Action By: Jasmine Wiles, Essex Highways. To include the name of the Councillor, or Parish/Town Council proposing a scheme on 'Approved Works Programme' and 'Potential Schemes' reports submitted to the Panel.</b></p>	<p>(HLO)</p>
<p><b>11.</b></p>	<p><b>Dates of Next Meetings:</b></p> <p>It was noted that meetings of Braintree Local Highways Panel would take place on:-</p> <p>18th January 2018 29th March 2018</p> <p>The meeting commenced at 6.00pm and closed at 7.28pm.</p> <p style="text-align: center;">Councillor Mrs J Beavis (Chairman)</p>

**BRAINTREE DISTRICT COUNCIL  
WITH ESSEX COUNTY COUNCIL  
LOCAL HIGHWAY PANEL – 18<sup>th</sup> January 2017  
REPORT 1 – APPROVED SCHEMES UPDATE**

At the September 2017 Panel meeting the LHP reviewed those schemes within the Rolling Programme for delivery in 2018/19 and agreed their inclusion. It is envisaged that the 2018/19 Capital Budget for the Braintree District LHP will be the same as that in 2017/18 (£407,789), though this will be finalised by ECC at their full Council meeting in February 2018.

Members are reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost could change significantly dependant on issues which may arise especially during detailed design and construction. The estimated scheme costs on both the Rolling Programme and the Potential Scheme List have been reviewed and adjusted as necessary to reflect this.

The 2018/19 Braintree District LHP Capital Budget summary is as follows:

<b>2017/18 Budget Summary</b>	
<b>Item</b>	<b>Amount</b>
<b>Expected 2018/19 Capital Budget</b>	<b>£407,789</b>
Schemes prioritised by Rolling Programme	£184,000
Safer Road Schemes (costs are estimates only and subject to change)	£120,000
Re-profiled schemes from 17/18 to 18/19	TBC
Feasibility Studies & Detailed Designs	TBC
2018/19 Capital Budget still to allocate	£223,789

**BRAINTREE DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL  
LOCAL HIGHWAY PANEL –18<sup>TH</sup> January 2017  
2017/18 POTENTIAL CAPITAL SCHEMES**

At the September LHP meeting the panel reviewed all of the schemes on the Potential Schemes List and agreed to each schemes inclusion or removal. The following pages contain a full list of all of the current potential schemes for the Panel's consideration.

At this stage the Panel are encouraged to allocate schemes up to the value of the budget minus the £184,000 already allocated from the Approved Schemes List. This leaves a final allocation from the Potential Schemes List of £223,789.

**2018/19 Potential Schemes**

Scheme Type	Total Estimated Costs
Traffic Management	£126,000
Walking	£339,500
Public Right of Way	£103,500
Schemes Agreed Within the Rolling Programme (Excluding schemes on hold)	£184,000
<b>Total</b>	<b>£753,000</b>

1	Kelvedon Road, Coggeshall	Install a VAS travelling southbound	Speeding along this road is becoming a major concern as vehicles enter the village	Coggeshall	LBRA162017	£11,000	A new speed survey has been undertaken and it still meets the criteria for a VAS to be installed travelling southbound. However there are still concerns regarding signage clutter.	G
2	Burrows Road, Earls Colne - Feasibility for footway widening	To look at widening the footway to enable pedestrians and mobility scooters to access the main road	There are concerns that pedestrians are having to walk in the road	Earls Colne	LBRA162051	£5,500	Previously archived but reinstated following discussion with the Parish Council	G
3	Bridge Street, Bures - Feasibility for raised kerb	A topographical survey and feasibility study to investigate the potential for raising the kerb outside No3	Water will often remain laying outside the property door after the rain has subsided for several days as there is nowhere for it to	Bures Hamlet	LBRA152141	£6,500		G
4	Finchingfield Road, Steeple Bumpstead - Feasibility for layby	Feasibility for installation of a layby	The verge is frequently used by hearses and those attending funerals which is rutting the verge	Steeple Bumpstead	LBRA162020	£6,500	There are a number of issues with installing a parking bay here. The level difference from the edge of carriageway to the back of the verge is quite large and to install a parking bay would mean excavating a large amount of the verge, this could affect the brick wall that is there. There is also a BT chamber which would need to be moved, this could add significantly to the delivery costs of the scheme. There is a bench in-situ as well and this would likely need to be removed to allow the bay to be installed.	G

5	Valentine Way and School Road, Silver End - Feasibility for 20mph zone/ limit	Feasibility for a 20mph zone or limit on these roads	Reports of speeding with no consideration given to the local Primary School	Silver End	LBRA162022	£4,000	Essex County Council are looking into the 20mph policy. Although the site would meet the current criteria for a 20mph limit, the mean speeds from the surveys undertaken were 21.7mph and 19.7mph. This indicates that the road is already compliant with this limit and signage would not slow traffic further. The location in question is also a conservation area and repeater signs would constitute street clutter.	V
6	Grooms Lane and all of the Daniel Way Estate, Silver End - Feasibility for 20mph zone/ limit	Feasibility for a 20mph zone or limit on these roads	Large numbers of children living in this area. Some of whom walk to nearby Primary School	Silver End	LBRA162023	£4,000	Essex County Council are looking into the 20mph policy. Although the site would meet the current criteria for a 20mph limit, the mean speeds from the surveys undertaken were 16mph and 16.7mph. This indicates that the road is already compliant with this limit and signage would not slow traffic further. The location in question is also a conservation area and repeater signs would constitute street clutter.	V
7	B1389 Hatfield Road, Witham - pedestrian refuge	Upgrade the existing pedestrian refuge by increasing the width to allow more pedestrians to cross	The pedestrian refuge only allows a maximum of two pedestrians to safely cross at any given time and with the volume of parents and children using this crossing it is causing a safety concern	Witham	LBRA152140	£21,000	The PV2 score met the criteria for a signalised crossing. However, a toucan crossing is being considered by the roundabout along Hatfield Road which would link the two new estates on both sides of the road. Therefore, officers recommend we await the toucan installation before considering upgrading the current pedestrian refuge west of Augustus Way.	G
8	Yeldham Road, Sible Hedingham - Passing bays/ grasscrete	Install passing places /grasscrete	Vehicles are rutting the green when parking.	Sible Hedingham	LBRA162034	-	Against officer recommendation - There are already several passing bays along the road.	R
9	Tye Green, Cressing - Feasibility for 20mph Zone/ limit	Feasibility for a 20mph zone or limit	There are continuing perceived problems with vehicles speeding through various roads in the village. Also to make the village a cycling safe zone	Cressing	LBRA162043	£4,000	Essex County Council are looking into the 20mph policy. Although the site would meet the current criteria for a 20mph limit, the mean speeds from the surveys undertaken were 15.4mph, 18mph and 23.6mph. This indicates that the road is already compliant with this limit and signage would not slow traffic further.	V

10	Cressing Village - Roundels	Install roundels upon entering the village gateways	Vehicles are travelling fast as they enter the village	Cressing	LBRA162049	-	Speed surveys have been undertaken and they do not meet the criteria to install the roundels.	R
11	Oak Road, Rivenhall Signage	Look into more signage to indicate the weight and height restrictions	Lorries using the road keep getting stuck and have to reverse which is causing congestion	Rivenhall	LBRA162061	£4,000	The validation recommended a signage review.	G
12	Francis Way j/w Broadway, Silver End - 20mph zone/ limit	Feasibility for a 20mph zone or limit on these roads	Large numbers of children living in this area, some of whom walk to nearby Primary School	Silver End	LBRA162064	£3,000	Essex County Council are looking into the 20mph policy. Although the site would meet the current criteria for a 20mph limit, the mean speeds from the surveys undertaken were 19.5mph, 19.7mph, 21.2mph and 24mph. This indicates that the road is already compliant with this limit and signage would not slow traffic further.	G
13	A1124 Colchester Road and roundabout j/w Fenn Road	Request to look into measures to improve the visibility of the mini roundabout	Concerns that vehicles are travelling too fast on the approach to the mini roundabout	Halstead	LBRA162065	-	Against Officer recommendations as there are no reported accidents at this location. Also looking at additional signage would cause signage clutter.	R
14	The Street/ Hedingham Road, Gosfield- SID posts	Request to install 2 further SID posts down The Street	Concerns that vehicles are travelling too fast passed a school causing safety concerns for the children on the footway	Gosfield	LBRA162066	-	This scheme has been funded by a third party agreement.	R
15	Maldon Road, Hatfield Peverel	Request to look into additional signage at the bend and additional safety improvements	Concerns that vehicles are taking the bend at speed	Witham	LBRA162067	-	Against officers recommendations to install additional signage and would also be seen as a maintenance issue.	R
16	B1018 Maldon Road, Witham	Request to reduce speeds at the sharp bends	Concerns that vehicles are travelling too fast around the bends	Witham	LBRA162068	£8,000	Scheme to look at improving the existing chevron signs that are placed at the bend closest to Olivers Nursery.	G
17	Gore Road/ New Road/ Queenborough Lane	Change the right of way to Queenborough Lane and Gore Road, making traffic stop at that proposed junction from New Road	To reduce speeding down Queenborough Lane	Rayne	LBRA162070	-	We would not be able to change the right of way to Queenborough Lane and Gore Road as the turning movements would be unsuitable.	R

18	Rickstones Road, Rivenhall- Horse warning signage	There is a horse riding centre down Rickstones Road with many horse riders using this stretch of road	People are unaware that horse riders are using this road	Rivenhall	LBRA162069	-	Against officers recommendations to install additional signage and would also be seen as a maintenance issue.	R
19	Ridgewell Road, Great Yeldham- Directional signage	Great Yeldham Parish Council would like directional signage to both the cemetery and the recreation ground	Both sites are hidden away which causes some difficulty when people are not from the area	Great Yeldham	LBRA162071	TBC	In validation.	V
20	Colchester Road close to Nether Court	The footway is narrow which causes difficulty when people try and cross Colchester Road at the zebra crossing	Both mobility scooters and wheelchair users struggle with crossing Colchester Road due to the footway being very narrow	Halstead	LBRA162072	TBC	Arranging a meeting with residents to establish the exact issues at this location.	V
21	Church Lane, Bocking - Zebra crossing upgrade	Street lighting feasibility to look into the upgrading of the PAR lamps to improve the task lighting to bring them up to standard	Currently there does not appear to be any task lighting other than the existing street lights that are lighting up the crossing point	Braintree and Bocking	LBRA162074	£5,500	Recommended to carry out a street lighting feasibility report to ascertain what works are required to bring the crossing up to standard to improve pedestrian safety.	G
22	London Road j/w Godlings Way, Braintree- CR	Request for two new cyclist warning signs	Vehicles are unaware of cyclists within this area	Braintree and Bocking	LBRA162075	£4,000		G
23	Hedingham Road, Bulmer- One Way	Many vehicles travelling from the A131 are incorrectly using the one way system to get to Hedingham Road	Vehicles are contravening the Traffic Regulation Order by incorrectly using the one way system	Bulmer Parish Council	LBRA162076	£4,000	Validation results suggested a design to determine if a build out could be looked into to prevent vehicles travelling the incorrect way along a one way system.	G
24	Sheepcotes Lane, Silver End - Quiet Lane	Implementation of a Quiet Lane	The lane is frequently used by walkers	Silver End	LBRA162026	£8,000	There is currently a trial underway with Quiet Lanes with 5 chosen sites being implemented in the 17/18 financial year. New sites can be considered after the conclusion of this trial.	V
