(1) Recommendations from the Cabinet Meeting Held on 4th February 2016 – Council Budget and Council Tax 2016/17 and Medium-Term Financial Strategy 2016/17 to 2019/20 / Supplementary Report

INFORMATION: Councillor Butland, Leader of the Council, presented the supplementary report on the Council's budget, which had been circulated in advance of the meeting. It was reported that following the Cabinet's consideration of the budget on 4th February 2016 the Government had issued the Final Local Government Settlement for 2016/17 on 8th February 2016. This allowed District Councils to increase their Council Tax for 2016/17 by 2% or £5.00 per property, whichever was the higher. Following discussions by the Leader and Cabinet Members, it was proposed that Braintree District Council's Council Tax for 2016/17 should be increased by £4.95 per property. This equated to an increase of 3.1%. If approved, the proposal would increase the income received by the Council in 2016/17 by £91,201 compared to the figure which had been recommended by Cabinet on 4th February 2016. The increased income would be added to balances. The additional resources had been incorporated in a revised General Fund Revenue Profile 2015/16 to 2019/20 which was attached as Appendix G to the supplementary report. Councillor Butland moved the recommendations in the supplementary report, which were seconded by Councillor Bebb. There were no amendments proposed.

There followed a general budget debate on the budget. During the debate it was suggested that delivery arrangements for the Council's Contact magazine should be investigated as some residents had not received their copy. Once the debate had

concluded a recorded vote was taken on the revised recommendations; the result of which was as follows:

(2) Council Tax Resolution for 2016/17

INFORMATION: Councillor Butland, Leader of the Council, presented a report on the proposed Council Tax for 2016/17, which had been circulated in advance of the meeting. Details of the proposed Council Tax payable for properties in Bands A to H, including Braintree District Council and Parish/Town Council precepts, were set out in Schedule A to the report. Information regarding the total amount payable per property Band, inclusive of the precepts set by Essex County Council, the Police and Crime Commissioner and Essex Fire Authority, was set out in Schedule B to the report.

Councillor Butland advised the Council of a typographical error in the table set out in paragraph 3.1 of the report. It was reported that Braintree District Council's share of the basic amount of Council Tax, exclusive of other precepts, for a property in Band B should be £127.96, not £127.90. This error did not affect any other figures set out in the report. Councillor Butland moved the recommendations in the report, as amended, which were seconded by Councillor Bebb.

The result of the recorded vote on this matter was as follows:

For the Motion

Councillors: Abbott, Mrs Allen, Banthorpe, Baugh, Mrs Beavis, Bebb, Bowers, Mrs Bowers-Flint, Butland, Canning, J Cunningham, Mrs M Cunningham, Dunn, Elliott, Goodman, Hensman, Horner, Johnson, Mrs Kilmartin, Kirby, Mann, McKee, Mitchell, Lady Newton, O'Reilly-Cicconi, Mrs Parker, Mrs Paul, Mrs Pell, Ramage, Ricci, Rose, Miss Santomauro, Mrs Scattergood, Mrs Schmitt, Schwier, Siddall, Mrs Spray, Tattersley, Mrs Thompson, Miss Thorogood, van Dulken, Mrs Walters and Mrs Wilson (43)

On being put to the vote, the motion was declared <u>CARRIED</u>.

DECISION: That the Council Tax Requirement and level of Council Tax for 2016/17 be approved in accordance with the following resolution:

Council Tax Base

1. Council Tax Base

1.1 Under delegated powers the Corporate Director has determined the amount of Council Tax Base for the whole Council area for 2016/17 as 50,667 Band D equivalents; and also that the amount set out in Column 2 of Schedule A should be the Council Tax Base for dwellings in those parts of the district listed in Column 1 of Schedule A to this resolution.

2. Calculation of the Council Tax Requirement

2.1 The following amounts are calculated by the Council for the year 2016/17, in accordance with the Local Government Finance Act 1992 (as amended):-

£91,816,498 being the expenditure the Council estimates it will incur in the year in performing its functions and which will be charged to its General Fund revenue account in accordance with proper practice. This amount includes allowances for contingencies, additions to earmarked financial reserves and general balances, local precepts issued to the Council, and the Council's share of the estimated Collection

Fund balance at 31 March 2016 in respect of business rates.

£81,660,388 being the income estimated by the Council which will be credited to the General Fund revenue account in accordance with proper practice. This amount includes specific and general government grants, the estimated use of earmarked financial reserves, and the Council's share of the estimated Collection Fund balance at 31st March 2016 in respect of Council Tax.

£10,156,110 being the Council Tax Requirement for the year calculated as the difference between expenditure and income as set out above.

2.2 In making the above calculations the following amounts have been taken into account:

£1,602,495 being the amount of Revenue Support Grant receivable from central Government for the year.

£3,991,673 being the estimated amount of the local share of business rates to be retained by the Council for the year after allowing for the following items: a tariff of £13,013,536; an estimated levy of £733,132 due to the Essex Business Rate Pool; and a net amount of £745,960 estimated to be receivable from central Government to fund previous year caps on the RPI increase in the business rate multiplier and the extension of various discretionary reliefs being funded by Government.

£114,990 being the amount that has been calculated as the Council's share of the estimated Collection Fund balance at 31st March 2016 in respect of Council Tax, which will be transferred from the Collection Fund to the General Fund revenue account in 2016/17.

£411,135 being the Council's share of the estimated Collection Fund balance at 31st March 2016 in respect of business rates to be transferred from the General Fund revenue account to the Collection Fund in 2016/17.

£82,533 being the aggregate amount of transitional grant, additional rural services grant, and returned funding to be provided by Government as announced in the Final Local Government Finance Settlement for 2016/17.

£1,820,375 being the total of all local precepts received from Town and Parish Councils and shown in Column 3 of Schedule A.

3. Calculation of the Basic Amount of Council Tax

3.1 The following amounts have been calculated:

£200.45 being the basic amount of Council Tax for the year including local precepts, calculated by dividing the Council Tax Requirement by the Council Tax Base for the whole District.

£164.52 being the basic amount of Council Tax for dwellings in those parts of the District where there are no local precepts for Town or Parish Councils. This represents the District Council's share of the total Council Tax rate and is charged across property bands as follows:

| Property Band | Band as proportion of Band D | Council Tax Rate |
|---------------|------------------------------------|------------------|
| Α | 6/9 | £109.68 |
| В | 7/9 | £127.96 |
| С | 8/9 | £146.24 |
| D | 9/9 | £164.52 |
| E | 11/9 | £201.08 |
| F | 13/9 | £237.64 |
| G | 15/9 | £274.20 |
| Н | 18/9 | £329.04 |

The District Council's basic amount of Council Tax equates to a Council Tax Requirement for the Council's own purposes (excluding Town and Parish precepts) of £8,335,735.

Under the principles set by the Secretary of State for Communities and Local Government for the 2016/17 financial year, the basic amount of Council Tax calculated by the Council is not deemed excessive and therefore does not require a referendum to be held.

The amounts shown in Column 5 of Schedule A, calculated by adding to the basic amount of Council Tax in those parts of the District where there are no local precepts, the local precept amount relating to each Parish or Town Council area, divided by the tax base for that area. This represents the basic amount of Council Tax for each Parish or Town Council area. The charge for each property band is also shown in Schedule A.

4. Special Expenses

4.1 The Council resolves that any expenses incurred by it in performing, in part of its area, a function that is performed elsewhere in its area by a Parish or Town Council, or a Chairman of a Parish Meeting, shall not be treated as Special Expenses for the purposes of Section 35 of the Local Government Finance Act 1992.

5. **Council Tax Setting**

5.1 The Council note that it has been advised of the following precepts:

| Essex County Council | £57,260,297 |
|---|-------------|
| Police & Crime Commissioner for Essex | £7,706,451 |
| • Essex Fire Authority | £3,429,143 |

Expressed as a Council Tax rate for dwellings in the following property bands:

| Property Band | Essex County Council | Police & Crime Commissioner for Essex | Essex Fire Authority |
|---------------|-------------------------|---|-------------------------|
| Α | £753.42 | £101.40 | £45.12 |
| В | £878.99 | £118.30 | £52.64 |
| С | £1,004.56 | £135.20 | £60.16 |
| D | £1,130.13 | £152.10 | £67.68 |

| Е | £1,381.27 | £185.90 | £82.72 |
|---|-----------|---------|---------|
| F | £1,632.41 | £219.70 | £97.76 |
| G | £1,883.55 | £253.50 | £112.80 |
| Н | £2,260.26 | £304.20 | £135.36 |

5.2 The Council at having calculated the aggregate of the amounts stated above for each area within the District, the Council hereby sets the amounts shown in Schedule B as the total amount of Council Tax for each of the property Bands.

REASON FOR DECISION: To formally set the Council Tax Requirement and Council Tax rates for 2016/17.

77 CONTRACT PROCEDURE RULES

INFORMATION: Consideration was given to a report on proposed changes to the Council's Contract Procedure Rules which were included within Chapter Two of the Constitution. The Rules had been reviewed and amended to reflect changes to the Public Sector Procurement Contract Regulations that had come into force in 2015.

The key changes to the Regulations were the removal of Pre-Qualification Questionnaires for contracts with a value less than the Official Journal of the European Union contract thresholds; the thresholds at which opportunities should be advertised; and the phasing-in of the usage of e-tendering systems for all procurement exercises.

The revised Contract Procedure Rules were attached at Appendix A to the report and included a proposal to reduce the procurement thresholds from six to four. In an amendment to the report, it was stated that two quotations should be sought for contracts having a value up to £1,499, not one. It was proposed also that a bidding procedure should be included within the Rules enabling Officers to respond effectively to external opportunities which the Council may wish to submit bids for.

The Developing Democracy Group had considered the proposed Contract Procedure Rules on 13th January 2016 and had recommended that the Council should approve them for inclusion in the Constitution.

DECISION:

- (1) That the Contract Procedure Rules attached to the report be approved to take effect from 23rd February 2016 and included in Chapter Two of the Constitution.
- (2) That the Head of Governance be authorised to make any typographical, or related consequential amendments to the Contract Procedure Rules, in order to produce publication versions of the document.

REASON FOR DECISION: To ensure that the Council has an up-to-date Constitution which reflects the needs of the Authority, and to meet the Public Sector Procurement Contract Regulations 2015.
